4:30 p.m. - Discussion in breakout groups

Discussion Questions:

- 1. Did we get it right? Do the Draft Vision Statements accurately reflect the vision the working group members want for the future of East Boulder?*
- 2. What's missing?*
- 3. Of these statements, which of these must be realized to make the plan a success? (to inform priorities)*

Use Fist-Five in small groups. Acknowledge that these will shape a range of choices in how they manifest but will be a tool to test how land use and transportation scenarios may result in the desired outcomes. Acknowledge they can continue to evolve as the group hones choices in the scenarios.
