

SNOW AND ICE REMOVAL

City of Boulder Snow and Ice Removal

The City of Boulder's snow crews are ready to respond to snowy and icy conditions 24 hours a day from mid-September to the end of May. The snow crews work hard to keep primary and secondary streets, on-street bike lanes, and multi-use paths open using materials and equipment that help reduce the dangers of winter traveling.

Sidewalk Snow and Ice Removal

Boulder property owners, landlords and tenants are responsible to remove snow and ice from their sidewalks within 24 hours after snow stops falling. Clearing sidewalks in a timely manner makes travel safer for all users. Visit www.nws.noaa.gov/data/obhistory/KBDU.html to view official snowfall reports.

Request a Snow Plow or Report Sidewalk Snow and Ice
