## Farewell and Best Wishes to the HRS Summer Intern

At the beginning of the summer, we hired CU graduate **Claudia Tadla** to complete specific projects that would support the larger initiatives of the Hill Reinvestment Strategy. Claudia is now moving on to her new career, and we wish her the best. Her work included establishing an inventory of commercial space in the Hill Commercial Area; outreach to property owners related to the National Register Historic District designation application; conducting an inventory of Hill streetscape elements, e.g. where replacement bike racks are needed; and documenting and reporting capital improvement needs on the [Inquire Boulder](#) app.
