97	switched photo
97	removed "Developing seed pods on"
97	added "in flower"
97	photo credit "Linda Mahoney" to "Nate Schipper"
103	added "however, some other circumstances may prevent conversion"
103	"and labor are factors... no local process facility" to "labor and resources are factors limiting the expansion of both diversified vegetable farming and beef production"
104	switched legend colors to reflect accurate references
105	added "however, that capable land is only on 9 properties: 5 of which have building envelopes and 2 of which have significant prairie dog populations"
105	added "Cattle producers in Boulder County identified lack of pasture, available land and resources (labor, feed and water) as the biggest inhibitors to expanding beef production"
106	"grazing, tilling and some integrated pest management" to "overgrazing and tillage"
110	"The lack of qualified labor... also make things difficult" to "While OSMP may favor increasing agricultural production on its land, one of the biggest hurdles is an adequate labor force. Historically low unemployment, low wages and a lack of affordable housing options make it difficult to recruit new laborers and retain experienced ones"
114	"Every year" to "In 2017" and "receives" to "received"
114	"popular" to "common"
115	removed "Signs"
117	added "Unpleasant" and "Very Unpleasant" to the legend and associated bar data
118	reworded to reflect "aesthetics" over "scenic beauty" as OSMP's primary purpose
121	"City of Boulder" to "Boulder Valley Residents:"
121	"Top 10 most popular activities on" to "Most common activity when visiting"
121	"During the past 12 months... 2016 Resident Survey" to "What ONE activity do you most frequently participate in when visiting Open Space and Mountain Parks areas?"
121	changed graphic to reflect correct dataset
122	removed "Betasso" and associated bar data
124	"is" to "are"
125	removed "dusky grouse are indifferent to trails"
