

**CITY OF BOULDER
MUNICIPAL COURT
REVISED BOND SCHEDULE
Effective Date July 1, 2013**

Linda P. Cooke

Linda P. Cooke
Presiding Judge, Boulder Municipal Court

Noteworthy changes to the bond schedule include:

- Addition of Marijuana violations. The fines, bonds, and mail-in eligibility of these violations mirror the existing alcohol format. Please see page 5.
- Addition of 6-4-5.5 Smoking Prohibited on the Mall, a \$100 mail-in eligible violation. Please see page 8.
- Overweight vehicle information has been removed pending reconciliation between the state statutes and the B.R.C.

New functionality:

- **ONLINE PAYMENTS** for mail-in eligible violations. Please direct defendants to the court's web page (boulder.colorado.gov/court).

Important Reminders:

- Mail-in eligible 0 - 2 point traffic infractions remain \$100. This means seatbelt violations are now \$100. 3 and 4 point mail-in eligible traffic infractions are now \$125.
- Some cases involving an accident are eligible for mail-in tickets. If the original violation is mail-in eligible, and the accident involved no injuries, no vehicles were towed, and all parties had insurance, then the citation may be written as a mail-in and an **additional \$25 should be added to the mail-in fine amount**. Please note that the DEFENDANT in a NPOI case should NOT be charged in municipal court if an accident is involved (but an accident victim with NPOI may be issued a ticket into municipal court).
- A new ordinance, 7-4-77, Stop at Crosswalk Required, has been added to page 23. It is a 4 point violation, with a mail-in fine amount of \$125.
- The bond amounts have increased for Unreasonable Noise (\$500), Disrupting Quiet Enjoyment of the Home (\$500), and Fireworks violations (\$1000).

This schedule specifies which charges carry mandatory court appearances; they include (1) NPOI, (2) Some traffic cases involving an accident, (3) Juvenile defendants, and (4) Fireworks violations.

The fine for all 0 - 2 point traffic *infractions* (including seatbelt violations) is \$100 and the fine for all 3 - 4 point traffic infractions is now \$125. The fine for traffic *offenses* remains \$300. Fines are doubled for speeding violations in a construction zone and for speeding offenses and any type of infraction in a school zone. The bond for general offenses will usually be \$100, \$250, \$500, or \$1,000 as indicated on the attached schedule.

The bond for parking violations continues to be the amount printed on the ticket, but if no amount is printed on the ticket, the bond will be \$15.00 unless otherwise indicated on the attached schedule. The bond for any violation not specified in the revised schedule shall be \$15 for parking offenses, \$300 for traffic infractions (\$600 for speeding violations in a construction zone and \$600 for any type of infraction in a school zone), \$300 for traffic offenses (\$600 for speeding offenses in a construction or school zone), and \$1,000 for general offenses.

Pursuant to B.R.C. Section 2-6-14, all traffic infractions are penalty assessments (PA). Traffic offenses are not penalty assessments, except for Inattentive Driving. Mail-in (PA) tickets may be written only if: (1) Only one violation has arisen out of the same episode (unless the second violation is a seatbelt violation - mail-in is okay); and (2) The offense does not appear to be an intentional or reckless violation; and (3) The police officer would not be entitled to incarcerate the defendant under B.R.C. Section 2-6-18. Inattentive Driving may be written as a mail-in at the discretion of the officer. Mail-in tickets are reduced by 2 points.

Private property designations are noted throughout the bond schedule. Please see the "CAO Key" column and corresponding notation at the bottom of each page. If you have a question pertaining to enforcement, please contact the City Attorney's Prosecution Division at 303-441-3025.

Any officer may write any ticket as requiring a court appearance at any time based on his/her own discretion, attitude of accused, nature of violations, dangerousness/severity of offense, or defendant's previous criminal history.
