**Candidate committee** means a person, including the candidate, or persons with the common purpose of receiving [contributions](#) or making [expenditures](#) under the authority of a [candidate](#). The term [official candidate committee](#) is synonymous with *candidate committee*. (A candidate has only one official candidate committee.)

### **Committee**

**Committee** means an [official candidate committee](#), an [unofficial candidate committee](#), and an [issue committee](#), unless the context indicates that it can mean only one or two of these types of committee.

### **Contribution**

**Contribution** means:

1. Any payment, loan, pledge, or advance of money, including, without limitation, checks received but not deposited or payments made by credit card, or guarantee of a loan, made to or for the benefit of any [candidate](#) or [committee](#);
2. Any payment made to a third party for the benefit of any candidate or *committee*, including without limitation the use of a credit card to secure such benefit;
3. Anything of value given, directly or indirectly, to a *candidate* for the purpose of promoting the candidate’s election, including without limitation commercial services such as banking, printing, and mailing services; or
4. With regard to a *contribution* for which the contributor receives compensation or consideration of less than equivalent value to such contribution, including, without limitation, items of perishable or non-permanent value, goods, supplies, services, or participation in a campaign-related event, an amount equal to the value in excess of such compensation or consideration.

### **Contribution in-kind**

**Contribution in-kind** is synonymous with [in-kind contribution](#).

## **Excepted Investment**

(It is important to keep in mind that if two or more individuals jointly make an **independent expenditure** of any amount, by definition, they become an [unofficial candidate committee](#) and must meet all of the reporting requirements for an unofficial candidate committee. ### **Other Household Member**

No *candidate committee* or other *committee*, the *expenditures* of which are in any way, directly or indirectly, controlled by, coordinated with, or made upon consultation with any *candidate* or *candidate committee* or agent thereof, shall be deemed a political committee eligible for the different political committee filing requirements.

### **Unofficial candidate committee**

*Unofficial candidate committee* means any two or more natural persons who collaborate together, or any corporation, partnership, commission, association, or any other organization or group of *persons*, that *accepts contributions* or makes *expenditures* for the purpose of expressly advocating the election or defeat of a clearly identified *candidate* for City Council. An *unofficial candidate committee* ceases to be independent if its expenditures are in any way, directly or indirectly, controlled by, coordinated with, or made upon consultation with any *candidate* or *candidate committee* or agent thereof.

# CAMPAIGN FINANCE REFORM (CFR) INITIATIVE

## Background

The Campaign Finance Reform Initiative was adopted by City of Boulder electors in 1999 and was implemented for the first time in the 2001 Municipal election. Key goals in implementing the initiative are:

- To make the process as simple to use as possible.
- To make the process as simple to administer as possible.
- To ensure that there are thorough controls over public funds used to fund City Council campaigns.
- To provide easy, timely citizen access to key financial information about City Council campaigns.

## Who Is Impacted By CFR Initiative

Although many people think of campaign finance reform as public funding for City Council candidates, the impact is actually much broader. The key aspects of the CFR Initiative and those potentially impacted are:

1. *Contribution Limitations*: Impacts all candidates for City Council, all official candidate committees and all unofficial candidate committees. (Contribution limits apply whether or not a candidate receives public matching funds.)
2. *Public Financing for City Council Candidates*: Impacts *candidates* for City Council who qualify and apply for public matching funds and their *official candidate committees*. (*Candidates* are not required to apply for public funding.)
3. *Independent Expenditures*: Impacts any natural person or other entity (corporation, organization, unofficial candidate committee, political committee, etc.) that makes an expenditure of greater than \$200 to support or oppose a candidate or *candidates* in a City Council election.

## Text of CFR Initiative

This section contains the actual text of the Campaign Finance Reform Initiative that was passed by Boulder electors in 1999. (Please keep in mind that an ordinance was adopted by City Council in July of 2001 that changed some provisions of the Initiative. These changes were necessary to accommodate court rulings made following the Initiative's passage. Section 5 of the CFR Initiative, covering independent expenditures, has changed as a result of the ordinance.)

Now, therefore, be it ordained that:

1. LEGISLATIVE INTENT. To assure the public that:
  - (a) excessive campaign costs and large contributions do not cause corruption or the appearance of corruption in the election process;
  - (b) large campaign contributions will not be used to buy political access or to influence governmental actions;
  - (c) access to large amounts of money will not be a prime requirement for participation in the political process.
2. CONTRIBUTION LIMITATION. No candidate for city council, or candidate committee, shall solicit or accept any contribution, including any "in-kind" contribution, that will cause the total contributions from any person, as defined in the B.R.C., 1981, to exceed one hundred dollars with respect to any single election to that candidate. The recipient of any contribution which would cause the total amount of contributions to a candidate from a single person to exceed one hundred dollars shall promptly return any such excess to the donor.

3. PUBLIC MATCHING FUNDS.
- (a) The city will allocate and provide matching funds, up to fifty percent of the expenditure limit as herein defined, to any city council candidate who meets the eligibility requirements set out in Paragraph 4. below. The expenditure limit shall be set at fifteen cents, per registered city voter as of the day after the date set by state law for the purging of registration records of the election year. This limit shall be adjusted based on changes in the Consumer Price Index (all items) of the U.S. Department of Labor, Bureau of Labor and Statistics, for the statistical area which includes the city, in an amount equal to the percentage change for the preceding two years. Only actual currency or its equivalent shall be matched with public funds. Neither loans nor in-kind contributions nor amounts exceeding one hundred dollars from the candidate's personal wealth shall be eligible for matching funds.
  - (b) After meeting the eligibility requirements, any candidate may request matching funds from the city no more frequently than once per week in amounts no less than five hundred dollars. The final request for matching funds must be submitted to the city no later than fourteen days before the election, but may be for less than five hundred dollars.
4. ELIGIBILITY FOR MATCHING FUNDS. A candidate who meets the following requirements shall be eligible to receive matching funds:
- (a) The candidate raises at least ten percent of the expenditure limit from individual contributors. No more than twenty-five dollars of each contribution may be counted toward the ten percent, and
  - (b) The candidate signs a contract with the city committing to the following:
    - (1) Agrees to limit his or her expenditures to fifteen cents per registered voter of the city as of the day after the date set by state law for the purging of registration records of the election year. This limit shall be adjusted based on changes in the Consumer Price Index (all items) of the U.S. Department of Labor, Bureau of Labor and Statistics, for the statistical area which includes the city, in an amount equal to the percentage change for the preceding two years.
    - (2) Agrees to contribute to his or her campaign no more than twenty percent of the expenditure limit from his or her own personal wealth;
    - (3) Agrees to return at least fifty percent of any unexpended funds to the city, but not more than the matching funds received, and
    - (4) Agrees to treat any carryover funds from a previous campaign as funds from the candidate's personal wealth, subject to the limits of such funds.
5. INDEPENDENT EXPENDITURES
- (a) Any person, as defined in the B.R.C., 1981, making an independent expenditure in excess of two hundred dollars shall deliver notice in writing of such independent expenditure, as well as the amount of such expenditure, and a detailed description of the use of such independent expenditure, within twenty-four hours after obligating funds for such expenditure. Such notice shall be delivered to all candidates in the affected race and to the city clerk. The notice shall specifically state the name of the candidate or candidates whom the independent expenditure is intended to support or oppose. Each independent expenditure shall require delivery of a new notice.
  - (b) Any person making an independent expenditure in excess of two hundred dollars shall disclose in the political message produced by the expenditure, the full name of the person, the name of the registered agent, the amount of the expenditure, and the specific statement that the advertisement or material is not authorized by any candidate. Such disclosure shall be prominently featured in the potential message.
  - (c) Expenditures by any person on behalf of a candidate for public office that are coordinated with or controlled by the candidate or the candidate's agent shall be considered a contribution to the candidate and subject the candidate and the contributor to any applicable penalties contained in this ordinance.
  - (d) "Independent expenditure" means payment of money by any person for the purpose of advocating the election or defeat of a candidate, which expenditure is

not controlled by, coordinated with, or made upon consultation with any candidate or any agent of such candidate. "Independent expenditure" includes expenditures for political messages which unambiguously refer to any specific public office or candidate for such office, but does not include expenditures made by persons, other than political parties and political committees, in the regular course and scope of their business, including political messages sent solely to members.

6. ENFORCEMENT

- (a) The city council is empowered to create an advisory committee and other enforcement procedures as it deems appropriate to implement this ordinance.
- (b) The city attorney shall enforce all provisions of this ordinance.
- (c) Any registered elector of the city may bring a civil action including without limitation an action for injury, and may sue for injunctive relief to enjoin violations or to compel compliance with this ordinance consistent with (d), below, provided such person first files with the city attorney a written request for the city attorney to commence action. The request shall include a statement of grounds for believing a cause of action exists. The city attorney shall respond within ten days after receipt of the request indicating whether the city attorney intends to file a civil action. If the city attorney indicates in the affirmative and files suit within thirty days thereafter, no other civil action for the same violation may be brought unless the action brought by the city attorney is dismissed without prejudice.
- (d) Any candidate or candidate committee who knowingly accepts a contribution in excess of one hundred dollars or exceeds the expenditure limit in violation of the contract with the city and this ordinance is liable in a civil action initiated by the city attorney or by a registered elector of the city for an amount up to five hundred dollars or three times the amount by which the contribution or expenditure limit is exceeded, whichever is greater.
- (e) In determining the amount of liability, the court may take into account the seriousness of the violation and the culpability of the defendant.

7. ADOPTION. No later than ninety calendar days after the adoption of this ordinance, the city council shall, by ordinance, incorporate the provisions of this measure in Title 13, B.R.C., 1981, and make any and all necessary conforming changes to said title in order to carry out the provisions of this measure and, specifically, including the enforcement and penalty provisions.

8. If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional in a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and shall not affect the validity of the remaining portions thereof."

## UNOFFICIAL CANDIDATE COMMITTEES

*Applies only when there are candidates running for City Council*

### **Organizing an Unofficial Candidate Committee**

No more than three days after an [unofficial candidate committee](#) receives a contribution or obligates itself for an expenditure, it must file an *Unofficial Candidate Committee Statement of Organization* ([Form 13-2-6](#)). Acceptance of this form by the City Clerk recognizes the *committee*.

Following the processing of this form by the City Clerk's Office, the committee will be sent a *Confirmation of Committee Organization*. This document will assign a unique identification number, which will be used by the committee on all subsequent filings. The committee may use this document whenever verification is needed. For example, it can be used at a bank to open a checking account for the committee's campaign.

The *Unofficial Candidate Committee Statement of Organization* ([Form 13-2-6](#)) asks for the names and addresses of committee officers (treasurer, chairperson, etc.) It is important in selecting these officers to consider the skills needed to perform the various roles. It is especially important to have someone with an bookkeeping background as the treasurer. Accurate record-keeping and thorough financial controls are essential from day one of the campaign. The City Clerk has the right to request and audit the records of any campaign at any time. Decisions on the committee treasurer and the record-keeping system should be made with this accountability requirement in mind. (See the ["Tips for Running a Campaign"](#) section of this document for additional suggestions.)

### **Establishing a Campaign Bank Account**

The following information is offered as a general guideline. Please consult your bank, the IRS or your tax attorney for definitive advice on tax-related matters.

In order to open a bank account as a political organization, your [unofficial candidate committee](#) will need to have a tax identification number from the Internal Revenue Service. This number, called an Employer Identification Number (EIN), can be obtained by completing [IRS Form SS-4](#) and calling the IRS at 1-800-829-4933 or applying online. The IRS will assign your EIN over the phone. You will then need to fax or mail the completed SS-4 to the IRS. The bank will require the EIN number to open your campaign account.

When you establish your bank account as an [unofficial candidate committee](#), you automatically become an IRS §527 Political Organization. If your campaign anticipates receiving more than \$25,000 in campaign contributions within an annual period, you also must file IRS Form 8871 (both electronically and physically) within 24 hours of opening your bank account. If you anticipate receiving less than \$25,000 in contributions, you do not need to file this form. (If, at a later point, you collect more than \$25,000 of contributions, you must then file it.) Consult the IRS for more information.

### **Expenditure Limits**

*Not applicable during a Special Election year/not updated for 2014 Special Election*

[Expenditure limits](#) apply only to City Council [candidates](#) receiving public matching funds. As a condition of receiving matching funds, a *candidate* must agree to limit his/her [expenditures](#) to a predefined *expenditure limit*. In the 2014 Special Municipal Election the *expenditure limit* is \$19,991.

*Expenditures* by the *candidate* and by the [official candidate committee](#) apply toward this *expenditure limit*. It is important to note that any *expenditures* by other parties, if they are coordinated in any way with the *candidate*, the *official candidate committee* or any agent of the *candidate*, also apply toward the *candidate's expenditure limit*.

## **Filing Requirements**

[Unofficial candidate committees](#) are required to file certain forms on specified dates, whether or not [contributions](#) have been collected or [expenditures](#) made. Additionally, in order to conform to Boulder ordinances (section 13-2-9(d), BRC, 1981) *unofficial candidate committees* are required to file the *Unofficial Candidate Committee Contributions & Expenditures Statement* ([Form 13-2-9](#)) whenever the committee makes an expenditure greater than \$200.00. (See the [“Independent Expenditures”](#) section of this document for more information and filing schedule.)

## **Required Forms**

[Unofficial candidate committees](#) must use forms provided by the City to meet the reporting requirements described in this document.

When submitting required reports, if not otherwise stated on the form, information must be current and accurate at least as of 5:00 p.m. on the second calendar day before the filing date. For example, if a report is due on October 21, 2014, the information in the report must be complete and accurate at least as of 5:00 p.m. on October 19, 2014.

## **Dues Dates for Independent Expenditures**

Due dates for reporting of [independent expenditures](#) greater than \$200 are provided in the [“Independent Expenditures”](#) section of this document.

## **Changes to Information Submitted**

If previously submitted information changes, such as a change of an officer of a [committee](#), you must re-file the information within three days of the change.

If you find an error in information that has been submitted to the City, please contact the CFR Program Administrator in the City Clerk’s Office for directions on how to document and correct the erroneous information. This should be done as soon as possible, but no more than three days after finding the error.

If a [committee](#) is notified by the City of an unmet reporting requirement, incorrect information or incomplete information, the *committee* must provide the required information within 72 hours of notification.

## **Unexpended Campaign Contributions**

At the end of the campaign, any unexpended *contributions* must be either donated to a charitable organization (recognized under the Internal Revenue Code, §501(c)(3)) or returned to the contributor.

## Summary of Forms and Due Dates for Unofficial Candidate Committees

*Applies only when there are candidates running for City Council*

Form No.	Form Title	Due Dates for Unofficial Candidate Committees
13-2-6	<i>Unofficial Candidate Committee Statement of Organization</i>	No more than 3 days after the committee receives a contribution or obligates itself for an expenditure
13-2-9	<i>Unofficial Candidate Committee Contributions &amp; Expenditures Statement</i>	<p>Seven (7) Required Filings <i>plus</i> filings for any <i>independent expenditures</i> (See "<a href="#">Independent Expenditures</a>" section for more info.)</p> <ol style="list-style-type: none"> <li>1. ## ISSUE COMMITTEES

### **Organizing an Issue Committee**

No more than three days after an [issue committee](#) receives a contribution or obligates itself for an expenditure, it must file an *Issue Committee Statement of Organization* ([Form 13-2-7](#)). Acceptance of this form by the City Clerk recognizes the *committee*.

Following the processing of this form by the City Clerk's Office, the committee will be sent a *Confirmation of Committee Organization*. This document will assign a unique identification number, which will be used by the committee on all subsequent filings. The committee may use this document whenever verification is needed. For example, it can be used at a bank to open a checking account for the committee's campaign.

The *Issue Committee Statement of Organization* ([Form 13-2-7](#)) asks for the names and addresses of committee officers (treasurer, chairperson, etc.) It is important in selecting these officers to consider the skills needed to perform the various roles. It is especially important to have someone with a bookkeeping background as the treasurer. Accurate record-keeping and thorough financial controls are essential from day one of the campaign. The City Clerk has the right to request and audit the records of any campaign at any time. Decisions on the committee treasurer and the record-keeping system should be made with this accountability requirement in mind.

### **Establishing a Campaign Bank Account**

The following information is offered as a general guideline. Please consult your bank, the IRS or your tax attorney for definitive advice on tax-related matters.

In order to open a bank account as a political organization, your [committee](#) will need a tax identification number from the Internal Revenue Service. Consult the IRS for more information.

### **Expenditure Limits**

[Expenditure limits](#) apply only to City Council [candidates](#) receiving public matching funds. Issue committees cannot make expenditures in support of or in opposition to a candidate for City Council. The same group of people involved in the issue committee may form an unofficial candidate committee to support or oppose a candidate.

### **Filing Requirements**

[Issue committees](#) are required to file certain forms on specified dates, whether or not [contributions](#) have been collected or [expenditures](#) made.

## **Required Forms**

Issue committees must use forms provided by the City to meet the reporting requirements described in this document.

When submitting required reports, if not otherwise stated on the form, information must be current and accurate at least as of 5:00 p.m. on the second calendar day before the filing date. For example, if a report is due on October 21, 2014, the information in the report must be complete and accurate at least as of 5:00 p.m. on October 19, 2014.

## POLITICAL COMMITTEES

### **Organizing a Political Committee**

No more than three days after a [political committee](#) receives a contribution or makes an expenditure in support of or opposition to a candidate for City Council or a city ballot proposition, it must file with the City Clerk:

- A full and correct copy of the committee's registration statement as filed with the Secretary of State pursuant to subsection 1-45-108(3) C.R.S., and
- The most recent report or other disclosure which it has filed with the Secretary of State or any Country Clerk and Recorder

### **Expenditure Limits**

[Expenditure limits](#) apply only to City Council [candidates](#) receiving public matching funds.

*Expenditures* by the *candidate* and by the [official candidate committee](#) apply toward this *expenditure limit*. It is important to note that any expenditures by other parties, if they are coordinated in any way with the candidate, the official candidate committee or any agent of the candidate, also apply toward the candidate's expenditure limit.

### **Filing Requirements**

[Political committees](#) must meet the requirements of the Colorado Fair Campaign Practices Act. In addition, *political committees* are required to file with the City Clerk:

- Full and correct copies of every disclosure or report on the same day it files such a document with either the Secretary of State or the Country Clerk and Recorder, and
- Expenditure report(s) segregating, as far as possible, expenditures greater than \$200 made on the city election. Expenditure(s) made in support or opposition of a City Council candidate or in support or opposition of a ballot initiative are filed on *Political Committee Expenditures Statement* ([Form 13-2-12\(1\)](#)).

## INDEPENDENT EXPENDITURES GREATER THAN \$200

*Applies only when there are candidates running for City Council*

Every independent expenditure in excess of \$200.00 must be reported to the City Clerk's Office.

### **Individuals**

Individuals who make an *independent expenditure* of greater than \$200 should report to the City Clerk using the *Independent Expenditure Statement* ([Form 13-2-10](#)).

- ☞ Note: If two or more natural persons jointly make an *independent expenditure* of any amount, by definition they become an *unofficial candidate committee* and must meet all the filing requirements for *unofficial candidate committees*. This is also true for a corporation, a partnership, etc.)

### **Unofficial Candidate Committees and Political Committees**

Unofficial candidate committees that make an *independent expenditure* greater than \$200 should report using the *Unofficial Candidate Contributions & Expenditures Statement* ([Form 13-2-9](#)).

Political committees that make an independent expenditure greater than \$200 should report using the *Political Committee Expenditures Statement* ([Form 13-2-12\(1\)](#)).

Each *independent expenditure* in excess of \$200 must be listed and described individually on the report. No expenditure should be reported more than once.

### **Due Dates for Independent Expenditures**

The due dates for reporting are dependent on the date(s) of the expenditure(s):

#### Independent Expenditures Made Before 5:00 p.m. on October 14, 2014

- If an *independent expenditure* exceeding \$200 is made before 5:00 p.m. on October 14, 2014 must be reported within three business days of obligating the funds or on October 14, whichever is sooner.
- If additional *independent expenditures* exceeding \$200 are made within this same time period each must be reported as individual line items on a report submitted on October 14, 2014.
- All *expenditures* must be reported, but no *expenditure* should be reported more than once.

#### Independent Expenditures Made After 5:00 p.m. on October 14 and Before 7:00 a.m. on November 3

- Any *independent expenditure* exceeding \$200 made between October 14 and November 3 at 7:00 a.m. (24 hours before the election) must be reported within 24 hours of obligating the funds.

#### Independent Expenditures Made On Day Before or Day of Election

- Any *independent expenditure* exceeding \$200 made on November 3 after 7:00 a.m. or on November 4 (day before and day of election), must be reported on or before December 4, 2014 (the 30<sup>th</sup> day after the election).
- If a report falls due on a weekend or holiday, it must be submitted on the next business day.

### **Disclosure Requirements**

Anyone (individual, corporation, committee, etc.) making an *independent expenditure* in excess of \$200.00 for the composition, presentation or distribution of posters, advertisements, leaflets, brochures, letters, postcards, records or tapes that expressly oppose or support a candidate or candidates, must

include the name of the person who paid for the material or ad in the content of the material or ad. The usual wording is “Paid for by (name).”

The purpose of this requirement is to allow interested citizens to know who is financing activities to support or oppose the election of a candidate or *candidates*.

### **Record Keeping & Accountability**

It is important to keep in mind that *expenditures* made on behalf of a *candidate* are not independent if they are coordinated in any way with the *candidate*, the *official candidate committee* or any agent of the *candidate*. In these cases the *expenditures* are treated as *expenditures by the candidate* and apply toward the candidate’s *expenditure limit* if the *candidate* is receiving matching funds.

Individuals and *committees* that make *independent expenditures* in support of any *candidate* who has received public funding are required to keep detailed records of the time, place and general subject matter of all consultations about the substance, venue, and timing of the expenditure. The City Manager or the Manager’s representative is authorized to review these records at any time if there is a reasonable suspicion that *expenditures* were controlled by, coordinated with, or made upon consultation with a *candidate*, *candidate committee* or agent of a *candidate/committee*.

## LIMITS ON CONTRIBUTIONS

### **Limits on Contributions for Unofficial Candidate Committees**

*Applies only when there are candidates running for City Council*

Unofficial candidate committees may be organized to support or oppose *candidates* for City Council. These *committees* must be totally independent of the *candidate(s)* whom they support or oppose and of the official candidate committee(s).

No *unofficial candidate committee* may solicit or accept any *contribution*, including *in-kind contributions*, which will cause the total *contributions* from any *person* to exceed \$100 for a single election. If a *contribution* is received that would bring the aggregate total from an *individual contributor* to greater than \$100, the amount that exceeds \$100 must be promptly returned to the contributor.

Since *unofficial candidate committees* are totally independent of any *candidate* or *official candidate committee*, an *individual contributor* may contribute \$100 to a *candidate/official candidate committee* and another \$100 to an *unofficial candidate committee* supporting the same candidate.

It is important to keep in mind that whoever signs a contribution check is considered the contributor, even if the check is written on a joint bank account.

### **Anonymous Contributions**

*Applies only when there are candidates running for City Council*

Candidates, official candidate committees and unofficial candidate committees are not allowed to retain or expend any anonymous contributions. (This restriction also applies to political parties insofar as it is possible to know that the contribution was intended to support the election or defeat of a candidate for City Council.) If anonymous contributions are received, they must be disposed of as follows:

### **Candidates Not Receiving Matching Funds, Their Candidate Committees & Unofficial Candidate Committees**

Anonymous contributions to any of these individuals/groups may be donated to the City or to any charitable organization certified under the Internal Revenue Code, §501(c)(3). Distribution of these funds should be reported on the next required *Statement of Contributions & Expenditures* report. You must include a receipt from the charitable organization and/or the City to be kept as part of your campaign records.

If an anonymous *contribution* is donated to a charitable organization, the candidate or committee must keep on file the following information/materials for at least six months after the election: the envelope or other container in which the *contribution* arrived, any other material that arrived with the contribution, a photocopy of the contribution itself (showing only the amount and serial number of any bills). This information must be made available to the City Manager or her representative upon request.

### **Issue Committees & Political Committees**

Issue committees and political committees are allowed to retain and make expenditures with anonymous contributions. However, if an *issue committee* receives any anonymous *contributions* the treasurer must keep on file the following information/materials for at least six months after the election: the envelope or other container in which the *contribution* arrived, any other material that arrived with the *contribution*, a photocopy of the *contribution* itself (showing only the amount and serial number of any bills). This information must be made available to the City Manager or her designate upon request.

### **Contributions from City Contractors**

Anyone who is negotiating with the City or is under contract with the City to provide personal services, materials, supplies, equipment or for selling land or a building to the City is prohibited from making a [contribution](#) to a candidate, committee or to any person for any political purpose or use in a City election if the payment for the services, supplies, etc. is even partially appropriated by City Council. Contractors are also prohibited from promising to make such a *contribution* or to knowingly solicit such a *contribution* for someone else. ([B.R.C. 13-3-4](#))

## DISCLOSURE AND ATTRIBUTION REQUIREMENTS

*Applies only when there are candidates running for City Council*

### **Election Materials & Advertising**

Anyone who composes, presents, or distributes posters, advertisements, leaflets, brochures, letters, postcards, records, tapes, websites, emails, etc. that expressly support or oppose a [candidate](#) or candidates for City Council, must include the name of the [person](#) who financed the composition, presentation, or distribution in the content of the materials. The usual wording is “Paid for by (name).”

### **Solicitation for Candidate Campaign Funds**

Any type of general public political advertising (through a broadcasting station, newspaper, magazine, outdoor advertising facility, direct mailing, web sites, emails, etc.) that is done to solicit [contributions](#) to finance communications expressly advocating the election or defeat of a clearly defined [candidate](#):

- Must identify who paid for the advertising.
- Must identify whether or not the advertisement is authorized by the *candidate*, the *candidate's committee* or its agents.
- Must include the following notice on the face or front page of all literature and advertisements:

“A copy of our report is filed with the City Clerk of the City of Boulder, Colorado.”

## RESTRICTED AND PROHIBITED ACTIVITIES

### **Restrictions on Increased Fees for Municipal Election Advertising**

City Code states that [candidates](#) and [committees](#) cannot be charged more for space in newspapers or magazines to be used in connection with a municipal election, than would be charged for the comparable use of the space for other purposes. ([B.R.C. 13-3-2](#))

### **Restrictions on Contributions in Another's Name**

Potential contributors are prohibited from making a [contribution](#) in someone else's name. [Candidates](#) and [committees](#) are prohibited from knowingly accepting a *contribution* from one [person](#) in the name of another *person*. ([B.R.C. 13-3-4](#))

### **Restrictions on Contributions by City Contractors**

Anyone who is negotiating with the City or is under contract with the City to provide personal services, materials, supplies, equipment or for selling land or a building to the City is prohibited from making a [contribution](#) to a [candidate](#), [committee](#) or to any [person](#) for any political purpose or use in a City election if the payment for the services, supplies, etc. is even partially appropriated by City Council. Contractors also are prohibited from promising to make such a *contribution* or to knowingly solicit such a *contribution* for someone else. ([B.R.C. 13-3-3](#))

### **Restrictions on Representation of Campaign Authority**

[Candidates](#), [political committees](#) and their agents are prohibited from making any fraudulent misrepresentations or acting for or on behalf of another *candidate* or [committee](#) on a matter that is damaging to the other *candidate* or *committee*. Knowingly participating in or conspiring in a plan to do so also is prohibited. ([B.R.C. 13-3-6](#))

## VIOLATIONS & FILING COMPLAINTS

### **Criminal Acts & Penalties**

The following acts are prohibited by Chapter 13-2-22, B.R.C. 1981:

- Filing required statements that knowingly contain false information.
- Failing to file a required statement within 72 hours of being notified by the City.
- Failing to provide required information necessary to complete a required statement within 72 hours of being notified by the City.
- Knowingly misstating or misrepresenting the name of a person who financed the composition, presentation or distribution of information to solicit contributions to support or oppose a council candidate.
- Failing to comply with any of the other requirements of [Chapters 13-2](#) and [13-3](#), B.R.C. 1981.

Any person convicted of a violation of any of the above is subject to a fine not to exceed \$1,000.

### **Civil Remedies**

Remedies related to violations of the Campaign Finance Reform Initiative are provided for in Chapter 13-2-22 (b), B.R.C. 1981. Major provisions are:

- Any [unofficial candidate committee](#) that knowingly accepts a [contribution](#) in excess of \$100.00 is liable in a civil action initiated by the City Attorney or by a registered elector of the City for an amount up to \$500.00 or three times the amount by which the *contribution* is exceeded, whichever is greater.
- Any registered elector of the City of Boulder who believes there has been a violation of the CFR Initiative may bring a civil action and may sue for injunctive relief to prohibit violations or to require compliance with the ordinance. However, as a first step, a written complaint must be sent to the City Clerk's Office, requesting the City Clerk to commence action against those believed to be in violation. The request must include a statement of the grounds for believing there has been a violation.
- The City Clerk's Office will respond to the person filing the complaint within 10 days after receiving the complaint. The response will indicate if the City Clerk intends to file a civil action. If the City Clerk indicates in the affirmative and files suit within 30 days thereafter, no other civil action for the same violation may be brought unless the action brought by the City Clerk is dismissed without prejudice.

## FREQUENTLY ASKED QUESTIONS (FAQs)

The following are answers to questions asked frequently about various aspects of the Campaign Finance Reform Initiative passed by City of Boulder electors in 1999. It may also be helpful to refer to the Key Definitions section.

### Contributions

#### 1. Exactly when does a contribution occur?

A *contribution* occurs when the *contribution* is received and accepted or when there is a contractual agreement and the amount is determined. It is important to remember that a maximum of \$100 in *contributions* may be accepted from any individual donor (contributor). If your campaign receives a *contribution* that would take you over this limit, you must promptly return the amount in excess of \$100 and forward a copy of the contribution check and the reimbursement check to the CFR Administrator. Whoever signs a contribution check is considered the contributor, even if the check is written on a joint bank account.

It is also important to remember that for reporting purposes (on the *Contributions & Expenditures Statement*), a contribution check is reported received on the date you get the check, not on the date you deposit it to the bank.

#### 2. What are the limitations on contributions to committees?

There are no limitations on *contributions* to issue committees and to political committees.

#### 3. How do I distinguish between in-kind contributions and normal volunteer services?

First, review the definition of *in-kind contribution* in the Definitions Section of this document.

Perhaps the easiest way to distinguish the two is to think of an *in-kind contribution* as a “hard” contribution – i.e., there is something concrete donated (a gift or loan of real or personal property, other than money, or the purchase of personal services), and to think of volunteer services as a “soft” contribution (the donation of a person’s time). In-kind contributions **never** involve a reimbursement.

Examples of *in-kind contributions* include:

- The use of office space at no charge, for which there normally is a fee.
- The donation of food for a campaign rally.
- The donation of paper to be used for campaign brochures.

To determine the value of an *in-kind contribution*, determine its reasonable fair market value.

Examples of volunteer services include:

- Someone volunteering time to distribute campaign literature.
- Someone volunteering time to make phone calls.
- Someone volunteering time to prepare and serve food at a campaign event.
- Someone volunteering time to create a database of campaign information.

The volunteer services consist of donated, uncompensated time to do the work of the campaign.

The fact that a volunteer is creating something of value, such as the database, does not make it an *in-kind contribution*, although these types of situations can be the most confusing. Perhaps the following example will help:

If Mary Jones volunteers her time to create a database, it is considered volunteer work and is not reported. If Mary Jones pays for someone else to create a database, it is an *in-kind contribution*, and is reported.

Normally, if someone pays to have services provided to a [candidate](#) or [committee](#), those services are considered to be an *in-kind contribution*. However, there are two important exceptions to this guideline that have been upheld by the courts. Certain types of purchased legal and accounting services are not considered *in-kind contributions* if they meet the following criteria:

- The [person](#) paying for the services is the regular employer of the individual providing the services;
- The services provided are either legal services or accounting services;
- The services are solely for the purpose of helping the *candidate/committee* comply with election laws.

## Expenditures

### 4. Exactly when do [expenditures](#) occur?

An *expenditure* occurs when the actual payment is made or when a contract is agreed upon, whichever comes first. In particular, this means do not wait for your charge card statement before disclosing an expense.

### 5. What is an [independent expenditure](#) and what do I have to do if I make an *independent expenditure*?

The definition of an *independent expenditure* is “an [expenditure](#) by any [person](#) for the purpose of expressly advocating the election or defeat of a [candidate](#) or *candidates*, which *expenditure* is not controlled by, coordinated with, or made upon consultation with any *candidate*, [candidate committee](#), or any agent of such *candidate* or *candidate committee*.” In this context a *person* can be an individual, a corporation, a committee, etc. – any entity other than the *candidate* or *candidate committee*.

If the *independent expenditure* is for \$200 or less, no additional reporting to the City is required. However, if any single independent expenditure is for more than \$200, it must be reported to the City Clerk’s Office. An individual makes this report using the *Independent Expenditure Statement* ([Form 13-2-10](#)). [Committees](#) use the appropriate *Contributions & Expenditures* form.

Remember that if two or more individuals get together to make an *independent expenditure*, by definition, they become an [unofficial candidate committee](#), together with corporations or any other groups that make *independent expenditures*. *Unofficial candidate committees* must file an *Unofficial Candidate Committee Statement of Organization* ([Form 13-2-9](#)) with the City Clerk’s Office and meet all other reporting requirements for an *unofficial candidate committee*.

The timing of when you must report depends on when the *independent expenditure* is made. See the “[Independent Expenditures Greater Than \\$200](#)” section of this document for more information on filing deadlines and disclosure requirements.

It is important to keep in mind that *expenditures* made on behalf of a *candidate* are not independent if they are coordinated in any way with the *candidate*, the *official candidate committee* or any agent of the *candidate*. In these cases the *expenditures* are treated as

*expenditures* by the *candidate* and apply toward the *candidate's expenditure limit* if the *candidate* is receiving matching funds.

Individuals and *committees* that make *independent expenditures* in support of a *candidate* who has received public funding are required to keep detailed records of the time, place, and general subject matter of all consultations about the substance, venue, and timing of the *expenditure*. The City Manager or the Manager's representative is authorized to review these records at any time if there is a reasonable suspicion that *expenditures* were controlled by, coordinated with, or made upon consultation with a *candidate*, *candidate committee*, or agent of a *candidate/committee*.

## Reporting by Committees

### 6. Does a committee reporting an independent expenditure still have to file the *Contributions & Expenditures Statement*?

Yes. An independent expenditure filing does not relieve a committee from filing the required *Contributions & Expenditures Statements*. Please note that each committee must file all required *Contributions & Expenditures Statements*, even if your committee has not received any contributions, made any expenditures, or obligated itself to make any expenditures.

## Violations & Complaints

### 7. What if someone doesn't follow the election laws/rules or adhere to the terms of the contract for matching funds?

There are serious penalties for anyone found to be in violation of the election laws or the terms of the contract with the City. For example:

- Any person convicted of a violation of Chapters 13-2 and 1-3, B.R.C. 1981 is subject to a fine not to exceed \$500.
- Any *candidate* or *official candidate committee* that knowingly accepts a *contribution* in excess of \$100.00 or exceeds the *expenditure limit* of \$19,991 in violation of the contract with the City and this ordinance, is liable in a civil action initiated by the City Attorney or by a registered elector of the City for an amount up to \$500 or three times the amount by which the *contribution* or *expenditure limit* is exceeded, whichever is greater. (See the Violations & Filing Complaints section of this document and the *Matching Funds Contract* ([Form 13-2-21\(b\)](#).)
- Any *unofficial candidate committee* that knowingly accepts a *contribution* in excess of \$100 in violation of this ordinance is liable in a civil action initiated by the City Attorney or by a registered elector of the City for an amount up to \$500 or three times the amount by which the *contribution* is exceeded, whichever is greater. Any registered elector of the City of Boulder who believes there has been a violation of the CFR Initiative may bring a civil action and may sue for injunctive relief to prohibit violations or to require compliance with the ordinance.

As a first step, a written complaint must be sent to the City Clerk's Office, requesting the City Clerk to commence action against those believed to be in violation. The request must include a statement of the grounds for believing there has been a violation. (See the "[Violations & Filing Complaints](#)" section of this document for more information.)

## FORM TITLES & FORM NUMBERS

In 2009, the city began using an electronic web format for filing reports. Committees will be issued a user name and password that will allow access to the financial forms. A few forms are still filled in manually and are listed below. They are available on the city's election web site to be download in PDF form.

When completing the manual forms, please read the instructions carefully. Required information must be typed or neatly printed. Information from these filings will be entered into a database and scanned on to the City's web site, so if information is illegible, forms will be returned to the filing party to be resubmitted.

# BOULDER REVISED CODE, 1981, TITLE 13.

## Chapter 13-1: Elections<sup>1</sup>

### 13-1-1 Legislative Intent.

(a) The purpose of this chapter is to establish procedures for regular and special elections of the home rule City of Boulder. Such procedures are intended to be consistent with the Uniform Election Code of 1992 as adopted by the state of Colorado, except as necessary to comply with provisions of the charter or to meet a specific need of the City as determined by the city council.

(b) The purpose of this chapter in adopting by reference sections 1-2-228, 1-4-913, part 2 of article 1-11, and article 13 of title 1, C.R.S., which form a part of the Uniform Election Code, is to make it clear that such provisions apply to city elections. Adoption does not create a separate municipal offense or municipal court proceeding. Proceedings under such statutes, including, without limitation, contests of municipal elections and criminal prosecutions, shall be brought and heard in the district court or county court as specified by state law, and control of the criminal prosecution of the enumerated election offenses shall remain with the district attorney or the attorney general of the state.

(c) The purpose of this chapter is to set the date upon which a proposed ballot measure is final for its submission to the voters for purposes of complying with the intent and spirit of § 1-45-117, C.R.S. Such date is the final vote by city council on the final reading of the ordinance submitting the ballot measure to the voters. That date is set in order to allow for the distribution of information by the city and input by the public without limitation until the finalization and submission of the ballot measure for the ballot.  
Ordinance No. 7793 (2011)

### 13-1-2 Incorporation of Uniform Election Code of 1992, as Amended, With Modifications.

(a) The Uniform Election Code of 1992, 1-1-101 through 1-13-803, C.R.S., as amended through June 6, 2006, is adopted by reference and incorporated so as to have the same force and effect as if printed in full in this code, except as specifically amended by the provisions of this chapter.

(b) The council finds that certain modifications to the Uniform Election Code of 1992, as amended, are in the best interest of the residents of the City and therefore adopts the following modifications:

(1) Section 1-1-102, C.R.S., is repealed and reenacted to read:

1-1-102. Applicability.

(1) This election code applies to all municipal general and special elections of the City, including without limitation recall elections. Except as otherwise provided in the Boulder Revised Code, 1981, or any uncodified ordinance specific to the situation, this election code also applies to general improvement district elections, and to any elections required by the Constitution of the State of Colorado for which no specific provision is made by any law of the City.

(2) The Uniform Election Code of 1992 was adopted by the General Assembly of the State of Colorado to cover many elections other than municipal elections. Accordingly, many provisions of the Uniform Election Code are inapplicable to municipal elections. The sections and parts of sections which appeared most clearly to be inapplicable to municipal elections have been specifically not adopted, either by calling them not adopted, repealed, or repealed and reenacted to read, in adopting by reference the Uniform Election Code of 1992.

However, other provisions of the Uniform Election Code of 1992 which are also inapplicable to municipal elections have not been specifically called out as being inapplicable. Adoption by reference of such provisions does not mean that the city council was of the opinion that such provisions are applicable to municipal elections, and in such cases their applicability shall be determined by the intent of the Colorado General Assembly.

(3) This election code is applicable both to coordinated elections involving the participation of the county clerk and elections of other political jurisdictions, and to municipal elections which the City may choose to conduct on its own, as the city council may from time to time specify in any ordinance calling a special election or otherwise.

(4) To the extent that any provision of this election code conflicts with the charter, such provision is inapplicable.

(2) Section 1-1-104(2.6) Definitions.

"Ballot measure" means a ballot issue or a ballot question that has been approved by the city council for submittal to the voters at an election.

(3) Section 1-1-104(8), C.R.S., is repealed and reenacted to read:

"Designated election official" means the city clerk.

(4) Section 1-1-104(17), C.R.S., is repealed and reenacted to read:

"General election" means the election specified in Charter Section 22 to be held on the first Tuesday in November of every odd-numbered year.

(5) Section 1-1-104(18), C.R.S., is repealed and reenacted to read:

"Governing body" means the city council, including without limitation the city council sitting as the board of directors of a general improvement district.

(6) Section 1-1-104(34.5), C.R.S., is repealed and reenacted to read:

"Referred measure" includes any ballot question or ballot issue submitted by the city council to the qualified electors of the city pursuant to Charter Sections 37 through 54 or Section 1-41-103, C.R.S.

"Special election" means an election other than a general election as specified in the charter, including without limitation Sections 22, 41, 47, and 58.

(8) Sections 1-1-104(1), (5), (6), (9), (9.5), (19), (20), (22), (23), (24), (25), (26), (31), (32), (39), (40), (41), (42), and (45), C.R.S., are repealed.

(9) Sections 1-1-109(1) and 1-1-110(3), C.R.S., are repealed and reenacted to read:

(1) Except as otherwise provided by this election code, by some other specific provision of the Boulder Revised Code, 1981, or by the ordinance calling a particular election, the secretary of state shall approve all the forms required by this election code, which forms shall be followed by county clerk and recorders, election judges, and other election officials. Forms concerning nominations for city council, initiative, referendum, and recall petitions, and any other forms governed by the charter are included among the forms which are "otherwise provided" by this election code.

(2) As the chief election official for the county, the county clerk and recorder shall be the chief designated election official for all coordinated elections. If the City or its general improvement districts request that its election be coordinated with any other election, it shall certify the ballot content to the county clerk and recorder prior to the fifty-fifth day before the election. Nothing in this section shall authorize the city clerk or the county clerk and recorder to take any action at variance with the requirements of the charter.

The ballot issues and ballot questions shall be deemed to have not been submitted and votes cast on the ballot issues and ballot questions shall either not be counted or shall be deemed invalid by action of the city council.

(2) If the electors are to consider the election of persons to the city council and ballot issues or ballot questions, the city council may remove any or all of the ballot issues or questions by following the procedures set forth in subsection (1) of this section.

(3) Unless otherwise provided by an intergovernmental agreement pursuant to 1-7-116, C.R.S., upon receipt of an invoice, the City shall within thirty days pay all costs accrued by the county clerk and recorder and any coordinating political subdivision attributable to the canceled election and any removed ballot questions or issues.

### **13-1-3 Responsibility of the City Manager.**

The city manager shall administer the requirements of this chapter and comply with all laws regulating the conduct of elections.

### **13-1-4 Absentee Ballot Cards.**

Whenever an electronic voting system is used in a municipal election and official ballots are in the form of ballot cards to be read by electronic vote counting equipment, official absentee ballots may also be in the form of ballot cards.

### **13-1-5 Duplication of Absentee Ballots for Counting.**

- (a) Whenever an electronic voting system is used in a municipal election and whenever an absentee ballot is not suitable for counting on the electronic vote counting equipment because such ballot was cast in pencil or ink or is in the form of a paper ballot, a true duplicate copy of the ballot may be made and counted in the manner provided in this section.
- (b) By means of a vote recorder or punching device, the judges of election of the precinct selected by the city manager to receive the absentee ballots shall make such duplicate copy by punching an unused ballot card provided to the judges for that purpose. One such judge shall read aloud the vote on the original handwritten ballot and another judge shall punch the duplicate. A third judge shall watch the duplication process and shall check its accuracy.
- (c) An election judge shall label any duplicate ballot so made as a duplicate ballot and shall record the serial number of the duplicate ballot on the original handwritten absentee ballot.
- (d) If a judge makes an inaccurate duplicate ballot, the judge shall label such ballot "void" and place it in a separate envelope provided by the city manager for that purpose. The judges shall make a new duplicate ballot and label it in the same manner as provided in this section and shall record the serial number of any new duplicate ballot on the original handwritten absentee ballot.
- (e) The election judges shall retain all original handwritten absentee ballots and place them in a separate envelope provided by the city manager for that purpose.
- (f) The election judges shall substitute any duplicate ballot made under this section for the original ballot and shall present such duplicate for counting on the electronic vote counting equipment at the counting center after 7:00 p.m. on election day in the same manner as other ballots from city election precincts are counted.
- (g) No election judge shall make any duplicate ballot under this section before the time otherwise allowed by law for the counting of absentee ballots.
- (h) Whenever election judges of the absentee voter precinct use the duplicate ballot process authorized by this section, such judges shall make a written statement, in addition to any other statements or certificates otherwise required by law to be made, showing the number of duplicate ballots made and not marked "void" together with the serial numbers thereof and the number of duplicate ballots made and marked "void" together with the serial numbers thereof and shall return such statement to the city manager with other election papers and supplies.
- (i) When absentee ballots are duplicated and counted as authorized by this section, the absentee precinct judges shall not be required to make or post an abstract of the count of votes.
- (j) All provisions of the election laws of the City that are not inconsistent or in conflict with this section continue to apply to all elections where the duplicate ballot process authorized by this section is used. Any provisions of the election laws of the City that are inconsistent or in conflict with the provisions of this section do not apply to elections where the duplicate ballot process provided in this section is used. Nothing in this section shall be construed to prohibit the use of a manual system of counting absentee ballots.
- (k) The city manager is authorized to institute other procedures not inconsistent with the provisions of this section that are designed to promote efficiency and accuracy in the duplication process authorized by this section.

### **13-1-6 Submission of Citizen Petitions for Comment Prior to Circulation.**

The proponents of an initiative, referendum, or charter amendment petition may submit a draft thereof to the city manager before circulating the petition. No later than fifteen days after the date of receiving such petition draft, and after consulting with the city attorney, the manager shall provide written comments to the proponents concerning any problems encountered in the format or contents of the draft. The proponents may either disregard the comments or alter the petition draft in response thereto.

### **13-1-7 Initiative and Referendum.**

All aspects of the exercise of the initiative and referendum power reserved to the people by the charter of the City of Boulder shall be governed exclusively by the provisions of the charter, this code, and any other

applicable ordinance of the City, and no statute of the state purporting to regulate in any way the exercise of the initiative or referendum shall govern the exercise of the initiative or referendum, except for those criminal provisions of state law not in conflict with any provision of the charter or this code which prohibit fraud or deception in the circulation or signing of initiative or referendum petitions, or respecting affidavits concerning said petitions. This section does not apply to initiatives concerning the amendment or abolition of the charter.<sup>2</sup>

(Ordinance No. 7135 (2001))

### **13-1-8 Special Provisions Concerning Filling Council Vacancies by Special Election.**

The electors of the City approved an amendment to charter section 8 in November 1996. That amendment changed the method of filling vacancies on the city council from an appointment system to an election system. This section establishes the term of a person elected by special election to fill a council vacancy, and makes such adjustments to the provisions of the Uniform Election Code of 1992, as adopted with amendments by this title, as are useful in adapting that code to the exigencies of special elections to fill vacancies, which must be conducted on a compressed time frame.

(a) The term of a council member elected in a special election held pursuant to charter section 8 to fill a council vacancy shall expire at 10:00 a.m. on the third Tuesday in November following the next general municipal election.

(b) The city council may, in the resolution calling for a special election to fill a council vacancy, specify a number of days before the election that the early voters' polling place shall be open which is less than that specified in section 1-8-202, C.R.S., as adopted by reference, and may also specify additional hours during which such early voters' polling place shall be open. But such a provision is only effective for a special election which is not conducted as a coordinated election.

(Ordinance Nos. 5856 (1996); 5903 (1997))

### **13-1-9 Fixing of Ballot Title for Purposes of § 1-45-117, C.R.S.**

For purposes of § 1-45-117, C.R.S., ballot titles for city ballot measures shall be considered fixed upon the final vote of the council after final reading of a motion, resolution or ordinance which officially submits a specific ballot measure in the form it is to appear on the ballot for a vote of the electors at the next election. The date the election is called for consideration of city ballot measures shall not change the date upon which the ballot title is fixed as provided in this section.

## **Chapter 13-2: Campaign Financing Disclosure<sup>3</sup>**

### **13-2-1 Legislative Intent.**

(a) The purposes of this chapter include assisting electors in the city in making informed election decisions by requiring financial disclosure information from candidates for city office and committees supporting or opposing such candidates and city ballot issues.

(b) The limitations on contributions are intended to assure the public that:

(1) Excessive campaign costs and large contributions do not cause corruption or the appearance of corruption in the election process; and

(2) Large campaign contributions will not be used to buy political access or to influence governmental actions.

(c) Public campaign financing is intended to assure the public that access to large amounts of money will not be a prime requirement for participation in the political process.

(d) The provisions of this chapter concerning financial disclosure are exclusive and supersede any state statute on the subject, whether in conflict herewith or not, including, without limitation, article 1-45, C.R.S., unless the provisions of such statute are expressly made applicable by reference in this chapter.

(e) The reporting requirements are necessary to gather the data to detect violations.

(f) The provisions of this chapter have been modeled on the Federal Election Campaign Act and the Colorado Fair Campaign Practices Act, and in accordance with an initiative passed by the people of the city in 1999. Modifications have been made where necessary to meet specific needs of the city, to clarify and make more specific various requirements, and to comply with the evolving law in this area.

(g) The city council finds that at this time it is not necessary to require candidates and their candidate committees to report expenditures over \$200.00 as frequently as such reporting is necessary for unofficial candidate committees and independent expenditures in order to serve the purposes of this chapter. Candidates are necessarily subject to intense scrutiny throughout the campaign, and are required to file financial disclosures shortly after becoming candidates. They become candidates no later than seventy-one days before the election under the charter. Candidate committees file their statement of organization at the beginning of the campaign, and thus are a formed ongoing entity which is well known. Unofficial candidate committees can be formed at any time, and individuals can make independent expenditures at any time, so within twenty-one days of the election more frequent reporting of larger expenditures is required of them. Council, like the United States Congress, finds that a twenty-four-hour reporting period is not unreasonable in that immediate pre-election time, especially where mail ballots are used.

(h) Making an endorsement supporting or opposing a candidate or ballot proposition, or solicitation of such an endorsement by a candidate, committee, or other person, is not regulated by this title. However, the expenditures for publishing endorsements, and any contributions for support or opposition to a candidate or ballot proposition other than the endorsement itself, are regulated by this title in the same way as other contributions and expenditures.

Ordinance Nos. 7214 (2002); 7904 (2013)

### **13-2-2. Definitions.**

The following terms used in this chapter and [Chapter 13-3](#), "Campaign Activities," B.R.C. 1981, have the following meanings unless the context clearly indicates otherwise:

"Ballot proposition" means any amendment to the city charter, and any initiative, referendum, or recall for which petitions have been properly certified by the city clerk for submission to the city council, or any ordinance or issue put to a vote of the electors of the city under the provisions of the city charter. Such term does not include any ballot issue placed on the ballot by the United States, the state or any political subdivision thereof other than the city.

"Candidate" means any person whose petition of nomination for city council, whether at a regular, special, or recall election, has been certified as sufficient by the city clerk pursuant to charter section 26. A person is no longer a "candidate" after the date of the election for which the person filed a petition.

"Candidate committee" means a person, including the candidate, or persons with the common purpose of receiving contributions or making expenditures under the authority of a candidate. The term "official candidate committee" is synonymous with "candidate committee".

"Committee" means a candidate committee, an unofficial candidate committee, and an issue committee, unless the context indicates that it can mean only one or two of these types of committees.

"Contribution" means:

(a) Any payment, loan, pledge, or advance of money, including, without limitation, checks received but not deposited or payments made by credit card, or guarantee of a loan, made to or for the benefit of any candidate or committee;

(b) Any payment made to a third party for the benefit of any candidate or committee, including, without limitation, the use of a credit card to secure such benefit;

(c) Anything of value given, directly or indirectly, to a candidate for the purpose of promoting the candidate's election, including, without limitation, commercial services such as banking, printing, and mailing services; or

(d) With regard to a contribution for which the contributor receives compensation or consideration of less than equivalent value to such contribution, including, without limitation, items of perishable or nonpermanent value, goods, supplies, services, or participation in a campaign-related event, an amount equal to the value in excess of such compensation or consideration.

"Contribution" does not include services provided without compensation by individuals volunteering their time on behalf of a candidate or committee.

"Contribution in kind" means the fair market value of a gift or loan of any item of real or personal property, other than money, made to or for any candidate or committee for the purpose of influencing the passage or defeat of any issue or the election or defeat of any candidate. Personal services are a contribution in kind by the person paying compensation therefore. In determining the value to be placed on contributions in kind, a reasonable estimate of fair market value shall be used by the candidate or committee.

"Contribution in kind" does not include an endorsement of a candidate or an issue by any person, nor does it include the payment of compensation for legal or accounting services rendered to a candidate if the person paying for the services is the regular employer of the individual rendering the services and the services are solely for the purpose of ensuring compliance with the provisions of this title.

"Excepted investment" means a mutual fund, common trust fund of a bank, pension, or deferred compensation plan, any other investment fund, or a ten percent or less interest in the stock of a company, which for funds or stocks is widely held; publicly traded (or available) or widely diversified; and which for funds under circumstances where the investor neither exercises control over nor has the ability to exercise control over the financial interests held by the fund. A fund is widely diversified when it holds no more than five percent of the value of its portfolio in the securities of any one issuer (other than the U.S. Government.)

"Expenditure" means the payment, distribution, loan, or advance of any money by any candidate or committee, whether in cash, by check, as a credit card charge, or otherwise. Expenditure" also includes the payment, distribution, loan, or advance of any money by a person for the benefit of a candidate or committee that is made with the prior knowledge and consent of an agent of the candidate or committee. An expenditure occurs when the actual payment is made or when a contract is agreed upon, whichever comes first. Consent may be implied from collaboration and need not be express.

"Income" means money received for the provision of goods or services, not including the unrealized appreciation of any asset, income from any excepted fund, or interest earned from any commercial bank, savings and loan, or credit union.

"Independent expenditure" means an expenditure by any person for the purpose of expressly advocating the election or defeat of a candidate or candidates, which expenditure is not controlled by, coordinated with, or made upon consultation with any candidate or candidate committee or any agent of such candidate or committee. "Independent expenditure" does not include expenditures made by persons,

other than political parties and political committees, in the regular course and scope of their business, including political messages sent solely to members.

"Issue" is synonymous with "ballot proposition".

"Issue committee" means any two or more natural persons who collaborate together, or any corporation, partnership, commission, association, or any other organization or group of persons, that accepts contributions or makes expenditures for the purpose of opposing or supporting a ballot proposition at a city election, regardless of whether or not it has obtained the consent of the sponsors of the ballot proposition.

"Material change" shall mean any change in information required to be reported pursuant to Paragraph [13-2-3\(b\)\(1\), \(3\) or \(4\)](#).

"Official candidate committee" - see definition of "candidate committee".

"Other household income" means any income earned by a spouse, domestic partner, or partner in a civil union who resides in the same household as the reporting person that is reportable by a candidate or incumbent for federal or state income tax purposes.

"Other household member" means a spouse, domestic partner, or partner in a civil union who resides in the same household as the reporting person.

"Political committee" means any two or more natural persons who collaborate together, or any corporation, partnership, commission, association, or any other organization or group of persons, that accepts contributions or makes expenditures for the purpose of opposing or supporting a candidate for city council, or a city ballot proposition, and which, because of campaign activities concerning other candidates, other ballot measures, or both, is required under the Fair Campaign Practices Act found in state law to file statements and reports with the secretary of state or the county clerk and recorder. It is the intention of this chapter to reduce the burden on such committees of following two separate sets of filing and reporting requirements, while still protecting the public purposes served by filing and reporting. However, no candidate committee or other committee, the expenditures of which are in any way, directly or indirectly, controlled by, coordinated with, or made upon consultation with any candidate or candidate committee or agent thereof shall be deemed a political committee eligible for these different requirements.

"Reportable interest" means:

(a) In the case of a corporation, either more than ten percent of the total combined voting power of all classes of stock of the corporation entitled to vote, or more than ten percent of the capital, profits, or beneficial interest in the voting stock of the corporation;

(b) In the case of a partnership, association, trust, or other entity, more than ten percent of the capital, profits, or beneficial interest in such partnership, association, trust, or other entity; or

(c) Any interest in any entity that owns real property, if more than fifty percent of the entity's holdings are in Boulder County.

"Unofficial candidate committee" means any two or more natural persons who collaborate together, or any corporation, partnership, commission, association, or any other organization or group of persons, that accepts contributions or makes expenditures for the purpose of expressly advocating the election or defeat of a clearly identified candidate for city council. An unofficial candidate committee ceases to be independent if its expenditures are in any way, directly or indirectly, controlled by, coordinated with, or made upon consultation with any candidate or candidate committee or agent thereof.

Ordinance Nos. 7904 (2013); 7968 (2014)

### **13-2-3. Financial Disclosure Statement.**

(a) The purpose of this section is to provide members of the public and other council members with information regarding financial dealings of candidates and council members that might affect their ability to make impartial decisions. When reporting information regarding the activities of a third party, a reporting person is required to report only information about which he or she has actual knowledge.

(b) Any person required to file a financial disclosure statement required by this chapter shall file a statement on a form provided by the city clerk as follows:

(1) The reporting person's employer and occupation;

(2) The source of any income in excess of \$1,000 per year, including, without limitation, other household income, capital gains, whether or not taxable, dividends, interest, wages, salaries, rents, profits, and retirement accounts;

(3) The name, location, and nature of activity of any business entities or enterprises, with holdings of real or personal property or with business dealings in the area encompassed by the Boulder Valley Comprehensive Plan, in which the reporting person or other household member has any financial interest or is actively engaged as an officer, director, or partner and the nature of the reporting person's or other household member's interest or activity. A reporting person or other household member is not required to report any financial interest in any business entity in which the reporting person's or other household member's only interest is through an investment in an excepted investment. A charitable donation is not a financial interest;

(4) The location of any real property within Boulder County in which the reporting person or other household member has an interest or, if the reporting person or other household member has a reportable interest in an entity or enterprise disclosed pursuant to Paragraph (b)(3) above, in which the entity or enterprise has any interest and the nature of such interest;

(5) Any other information that the reporting person feels would be helpful or should be disclosed; and

(6) Notwithstanding any other provision of this chapter, no reporting person or other household member is required to disclose any confidential relationship protected by law.

- (4) The name and address of the committee's campaign treasurer.

(b) A candidate may be the treasurer and hold any position in the candidate's own campaign committee. A candidate is deemed to have a committee even if there is none, but this does not increase the reporting requirements. No candidate shall be deemed to have more than one candidate committee, and if more than one committee acts under the authority of or in coordination with a candidate, all shall be deemed the candidate's committee and shall file combined reports as required by this title and all shall jointly be subject to the limitations of this title.

If such an expenditure is made by an unofficial candidate committee, all contributions to that committee shall be deemed contributions to the candidate for purposes of contribution limitations. Such expenditures also count toward the expenditure limit of any candidate receiving public funding under this chapter.

Such expenditures

also count toward the expenditure limit of any candidate who has received public funding under this chapter.

(d) Unofficial candidate committees which make expenditures on behalf of any candidate who has received public funding under this chapter shall keep records of the time, place, and general subject matter of all consultation with any person, other than a member of the committee who is not affiliated with any other candidate or official or unofficial candidate committee, concerning the substance, venue, and timing of the expenditure, which records shall be given to the city manager by the committee treasurer if the manager makes a demand for same. The manager is authorized to make such a demand any time the manager has a reasonable suspicion that the expenditures were controlled by, or coordinated with, or made upon consultation with any candidate or candidate's committee or other unofficial candidate committee or agent thereof.

### **13-2-17 Contribution Limitation.**

No candidate for city council, or candidate committee, or unofficial candidate committee, shall solicit or accept any contribution, including any "in-kind" contribution, that will cause the total contributions from any person to exceed \$100.00 to that candidate with respect to any single election. The recipient of any contribution which would cause the total amount of contributions to a candidate from a single person to exceed \$100.00 shall promptly return any such excess to the donor. The candidate and the candidate's committee shall be treated as one, and a contribution to one is counted as a contribution to the other. Contributions to unofficial candidate committees are separately subject to the \$100.00 limitation.

### **13-2-18 Anonymous Contributions.**

(a) Anonymous contributions to any candidate or candidate committee, or unofficial candidate committee, may not be retained or expended by the candidate or committee. Anonymous contributions also may not be retained or expended by a political committee insofar as it is reasonably possible to discern from the contribution that it was intended to support that committee's efforts to elect or defeat a candidate. If anonymous contributions are received by a candidate or committee, they shall be disposed of as follows:

(1) If the candidate has accepted public financing under this chapter, all anonymous contributions to the candidate or the candidate's committee shall be forwarded to the city clerk with the next required report, noted in the report, and deposited in the general fund of the city.

(2) Unofficial candidate committees, political committees, and candidates and candidate committees of candidates who have not accepted public financing under this chapter shall donate anonymous contributions to any charitable organization recognized by the Internal Revenue Service pursuant to section 501(c)(3) of the Internal Revenue Code or to the city, and the distribution of such funds shall be indicated on the next report required to be filed pursuant to [Section 13-2-8](#), "Statement of Contributions and Expenditures of Official Candidate Committee," or [13-2-9](#), "Statement of Contributions and Expenditures of Unofficial Candidate Committee," B.R.C. 1981.

(3) If an anonymous contribution is donated to a charitable organization recognized by the Internal Revenue Service pursuant to section 501(c)(3) of the Internal Revenue Code, the candidate or committee shall retain the envelope or other container in which it arrived, together with any other material which arrived with it, and a photocopy of the contribution itself (showing only the amount and serial number of any bills), shall retain such information as candidate or committee records for at least six months after the election, and shall make such records available to the city manager upon request.

(b) If an anonymous contribution is received by an issue committee, the treasurer shall retain the envelope or other container in which it arrived, together with any other material which arrived with it, and a photocopy of the contribution itself (showing only the amount and serial number of any bills), shall retain such information as committee records for at least six months after the election, and shall make such records available to the city manager upon request.

### **13-2-19 Unexpended Campaign Contributions.**

Unexpended contributions to candidates or committees may be donated to any charitable organization recognized by the Internal Revenue Service pursuant to section 501(c)(3) of the Internal Revenue Code or returned to the contributor, and the distribution of such funds shall be indicated on the final report of the committee required to be filed pursuant to [Section 13-2-8](#), "Statement of Contributions and Expenditures of Official Candidate Committee," or [13-2-9](#), "Statement of Contributions and Expenditures of Unofficial Candidate Committee," B.R.C. 1981.<sup>4</sup>

The expenditure limit shall be set at \$0.15 per registered city voter as of the day after the date set by state law for the purging of registration records of the election year. This limit shall be adjusted based on changes in the Consumer Price Index (all items) of the U.S. Department of Labor, Bureau of Labor Statistics, for the statistical area which includes the city, in an amount equal to the percentage change for the preceding two years. Only actual currency or its equivalent shall be matched with public funds. Neither loans nor in-kind contributions nor amounts exceeding \$100.00 from the candidate's personal wealth shall be eligible for matching funds.

(b) After meeting the eligibility requirements, any candidate may request matching funds from the city no more frequently than once per week in amounts no less than \$500.00. The final request for matching

funds must be submitted to the city no later than fourteen days before the election, but may be for less than \$500.00.

### **13-2-21 Eligibility for Matching Funds.**

A candidate who meets the following requirements shall be eligible to receive matching funds:

(a) The candidate raises at least ten percent of the expenditure limit from individual contributors. No more than \$25.00 of each contribution may be counted toward the ten percent; and

(b) The candidate signs a contract with the city committing to the following:

written request for the city attorney to commence action. The request shall include a statement of grounds for believing a cause of action exists. The city attorney shall respond within ten days after receipt of the request indicating whether the city attorney intends to file a civil action. If the city attorney indicates in the affirmative and files suit within thirty days thereafter, no other civil action for the same violation may be brought unless the action brought by the city attorney is dismissed without prejudice.

(3) Any candidate or candidate committee who knowingly accepts a contribution in excess of \$100.00 or exceeds the expenditure limit in violation of the contract with the city and this ordinance is liable in a civil action initiated by the city attorney or by a registered elector of the city for an amount up to \$500.00 or three times the amount by which the contribution or expenditure limit is exceeded, whichever is greater.
