*Note that the City of Boulder may require additional plans, permits, or documentation as a condition of any ROW permit

Applicant agrees to perform all work in accordance with City of Boulder Regulations and Design Standards, and The Manual on Uniform Traffic Control Devices. The contractor accepts full responsibility for damage done to the City Right-of-Way (which may include, but not limited to, damage to the street pavements, public landscaping, sidewalks, curb and gutter, and utilities); and further understands and acknowledges that he/she will be held financially liable for all required repair work.

I, the undersigned, declare under penalty of perjury and any other applicable State or Federal Laws, that all information provided on this form and any submitted attachments is to the best of my knowledge true, accurate and complete.
