TEAM GREEN YOUTH PROGRAM

Our Team Green Youth Program is for youth golfers age 8-11. This program is designed to teach kids the basics of the grip and swing and provide the instruction and confidence to "Learn to play" the game of golf.

It is designed for youths new to the game who are not yet prepared for the golf course. We help teach the kids how to practice and in eight sessions give them a basic idea of what golf has to offer.

Concepts include, learning the grip, the swing and basics of how to play golf to help them move from the range to the golf course. We also introduce the format for the Drive, Chip and Putt competition.

TEAM BLUE YOUTH PROGRAM

Our Team Blue Youth Program is for youth golfers ages 11-14 who are interested in starting golf or participating with other youths in the game of golf.

This "Play to Learn" approach ends with a round of 9 holes for you and your youth at Flatirons Golf Course. Concepts in this program are more consistent with becoming a golfer and learning to be a part of the golf community.

Concepts included are: etiquette, scoring, proper care of the golf course and course management. This program is designed for all youths to further their commitment to success in golf. The program can be taken to prepare them for competitive golf and High School, or as a new sport to beginners interested in golf!
