ACADEMY

18 hole stroke play events will be on Monday mornings in June and July. Tee times will start at 11:00am and continue every ten minutes until all youths are on the course. Each week there will be an assigned format to the 9 hole round on Saturdays. This program is specifically designed for kids to have scores to show coaches in high school. This is a great way to get the juniors, their friends and classmates out onto the golf course. This program is not designed for kids just learning golf, but specialized for kids who are already considered "golfers"

CLINICS

Clinics will be offered on Wednesday or Thursdays from 9-10am in June and July. Each clinic will be 1 hour long and will emphasize different aspects of the golf swing and playing golf. Each clinic will be based on availability. Youths need to pre-register for clinics they plan on attending.
Clinic size will be limited to groups of up to 8 juniors.

Thank you for your interest in the Youth Academy at Flatirons Golf Course.

This Program is designed for those who have played golf, it is not a program to teach kids how to play golf.

We have a long history of helping youths learn to enjoy and excel at competitive golf. We look forward to providing these competitive opportunities for your future high school, college and tour stars!
