WHAT THIS MEANS FOR YOU

WHEN: This underpass will be closed from August 20, 2015 through December, 2015.

WHERE: The closure will impact the multi-use path at the 28th Street underpass on the Fourmile Canyon Creek Trail.

WHY: The existing vehicular bridge is being widened and a new pedestrian and bicycle bridge is being installed.

DETOUR: The temporary pedestrian and bike route will use Paseo Del Prado to Palo Parkway to Winding Trail Drive to the Wonderland Creek Bikeway.

Thanks for your patience and cooperation during construction!
