

# Chautauqua Pedestrian Safety, Access and Lighting Improvements Project

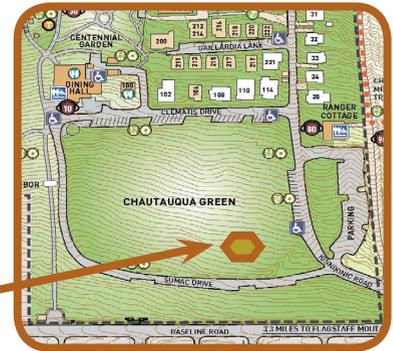

## Open House on June 28

**What:** Chautauqua Pedestrian Improvements Project Open House Planning for pedestrian safety, access and lighting improvements at Chautauqua began in July, 2015. Over the last year, the public and several city boards and committees provided feedback on early designs. Come; learn more about the design, the improvements and the construction schedule.

**When:** Tuesday, June 28, 2016  
4 - 7 p.m.

**Where:** Northwest corner of Chautauqua Park,  
900 Baseline Road, Boulder, CO 80302

Attendees are encouraged to walk or bike to the open house. Attendees driving to the event are encouraged to park in established lots or along public streets within the Chautauqua complex.
