Subject: A message from the Boards and Commissions Committee – Jan Burton and Matt Appelbaum

Greetings! The two of us are serving on the sub-committee for Boards and Commissions. We met with Jane Brautigam and Tammy Burnette to review action items, and there are three we'd like to discuss with you.

First, on behalf of the City and the City Council, we want to express our appreciation for your valued time and efforts on behalf of the city and we are planning a reception to thank all the board and commission members. In order to make a more exciting event, we have selected eTown as the location, where the Council will be hosting a special event in your honor. We hope to have special music talent and want to make it a memorable occasion. We hope you will all plan to attend on May 12 from 5:30-7:30 pm!

Secondly, we would like to attend one Board/Commission meeting during the year. Since we know you have certain agenda items scheduled throughout the year, we'd love to get your priority dates for our visits. We will need to divide up the dates, and we will let you know in advance. If you don't respond, we'll just select our own dates.

Finally, we have heard that you would like more opportunity for cross-discussion between boards, and we're open to any ideas you have for accomplishing this.

Again, thanks for your service. We look forward to helping you this year!

Regards,

Matt Appelbaum
