20 Is Plenty Residential Speed Limit Project

Boulder City Council
May 19, 2020
WHY?

- Higher speed = higher crash severity
- Safety and comfort
- Promote residential streets as shared spaces
- TMP and Vision Zero
- April 21 and May 5 Meetings
WHAT?

- Default speed limit: 25 mph to 20 mph
- Applies to local residential streets
- Higher volume streets have speed limits set by study
Ordinance 8395 amending Section 7-4-58, “Speeding,” B.R.C. 1981 to reduce to twenty miles per hour the speed limit on any street upon which no speed limit is posted or in any other place; and setting forth related details.
Next Steps

▫ Ordinance effective June 18
▫ Replace 465 25 mph signs with 20 mph signs
▫ Cost: $65,000
▫ Complete by the end of Summer 2020
Questions and Discussion
Thank You!
