Landmarks Board Appointment

City Council will consider applicants for two positions (Design Professional and Member at Large) during their mid-year recruitment. Applications are accepted until Wednesday, September 2, interviews will be held Tuesday, September 8, and appointments will be made on Tuesday, September 15. Applicants may apply online at <http://documents.bouldercolorado.gov/forms/landmarksboard>.

747 12th Street – Landmark Designation

The landmark designation of 747 12th St. will be considered by the City Council at their Tuesday, September 1, 2015 meeting. Staff and the property owners are in support of an option to subdivide the lot roughly in half, maintain the current house size limitations, and designate the house and south lot and the garage on the north lot. Update at meeting.

University Hill Commercial District Open House

Staff is working to submit a Determination of Eligibility for the district. Update at meeting.

Civic Area Open House – Bandshell

On July 15, an Open House was held to share the results of the Design Inspiration Initiative and to gather community input on aspect of the Civic Area, including the Glen Huntington Bandshell, 11th Street Spine Bridge, and Nature Play Areas. The results of the online survey with correlating drawings/photos/sketches are available online:
