Agenda Item 5: Public hearing and consideration of a motion to approve a 3 year Studio Arts Boulder lease and services agreement for the City of Boulder Pottery Lab. Executive summary from packet materials: The purpose of this item is for the Parks and Recreation Advisory Board (PRAB) to review and consider approval of a lease and services agreement for the City of Boulder Pottery Lab. A Pottery Lab Working group (PLWG) comprised of 12 members (community, staff and PRAB), was established in 2012 to make consensus recommendations to the city on ways to ensure sustainability of the pottery program. The PLWG recommended exploration of a nonprofit or public/private partnership. A Request for Proposal (RFP) for the management and operations of the Pottery Lab was issued in July 2013. One responsive proposal was submitted by Studio Arts Boulder (SAB). The city reviewed and accepted the proposal and began contract negotiations in January 2014.

PRAB ACTION REQUESTED:

Staff requests the PRAB's consideration of this matter and action in the form of the following motion: Motion to approve the lease and services agreement for the City of Boulder Pottery lab and authorize the city manager to make minor amendments prior to or during the term of this agreement in order to ensure that the Pottery Lab is properly maintained and operated in a manner that is consistent with applicable laws and the policies and regulations of the City of Boulder.

Public comment:

- Lolita Higbe, Executive Director, Studio Arts Boulder, thanked staff for their contributions and said she looks forward to moving ahead with the public/private partnership with the City of Boulder for the next three years.
- Paul Heffron, representing Studio Arts Boulder, spoke in support of the agreement and said he looks forward to the partnership with the city.
- Ellen Hardman, spoke in favor of keeping the Pottery Lab at the firehouse because it enriches the lives of many.

Board discussion and comments:

- The contract was well done.
- Is this a realistic plan? What is the renewal? What are the renewal terms? We need clarification. What is the intention of the city? To subsidize?
- 20 hours of IT support per week is not enough.
- Why are glazing recipes included in the contract? They are not proprietary. They are public domain.
- I've been involved with this process for 4 years. What happens after 3 years? Is this like BMoCA?
- I see no contract issues and it looks like we're moving in the right direction with this.
- I won't vote for the contract as is. We need more discussion.

Motion:

Motion to approve the lease and services agreement for the City of Boulder Pottery Lab and authorize the city manager to make minor amendments prior to or during the term of this agreement in order to ensure that the Pottery Lab is properly maintained and operated in the manner that is consistent with applicable laws and the policies and regulations of the City of Boulder.

Motion by: Wyatt Seconded by: Gorce

Vote: 5-1 (Estrella absent)

Agenda Item 6: Valmont City Park Planning Information Item

Doug Godfrey presented this item.

Executive Summary from packet Materials:

The Parks and Recreation Department is in the process of updating the 2008 concept plan for undeveloped portions of Valmont City Park (VCP).

The update process includes:

- Industry trend analysis
- Athletic field study
- Stakeholders meetings
- Statistically valid community survey
- Outreach sessions, community meetings

- Regular updates to PRAB and city council

The goal is to develop an updated concept plan for the undeveloped portion of the park.

Board discussion and comments:

- The park will be loved, great job, process moving along well, process seems fairly thorough and to be moving in the right direction
- We're not hearing from all user groups, but for the most part the process, the data and the consultants results are good
- We need to include things we don't have – we already have playgrounds, fields and dog parks
- The process has been outstanding
- We need to determine what we can afford and what we are missing
- How do we prioritize? What does Boulder really need in a new park?
- We don't see ball parks very high in the plan, but Boulder needs more ball parks
- Keep youth in mind
- We need balance and to look at what we don't have in the parks
- You have to have multi use paths, we need multi-purpose fields and passive recreation, but the adventure/nature play is not authentic and is a fad – kids need to play in real nature
- I'm not sure going for the high end athlete is a winning strategy
- Has a recreation center service analysis been done on that neighborhood? How are they being served by a recreation or aquatics center?
- We need to be aware of history – disc golf
- Aquatics and baseball groups need to come to the table – we need to think about the possible retirement of Scott Carpenter pool
- What about a recreation center with an outdoor pool?
- This park seems like more of an active recreation park as opposed to a passive, artsy park
- Need more open houses to reach out to more groups
