

Area Closure

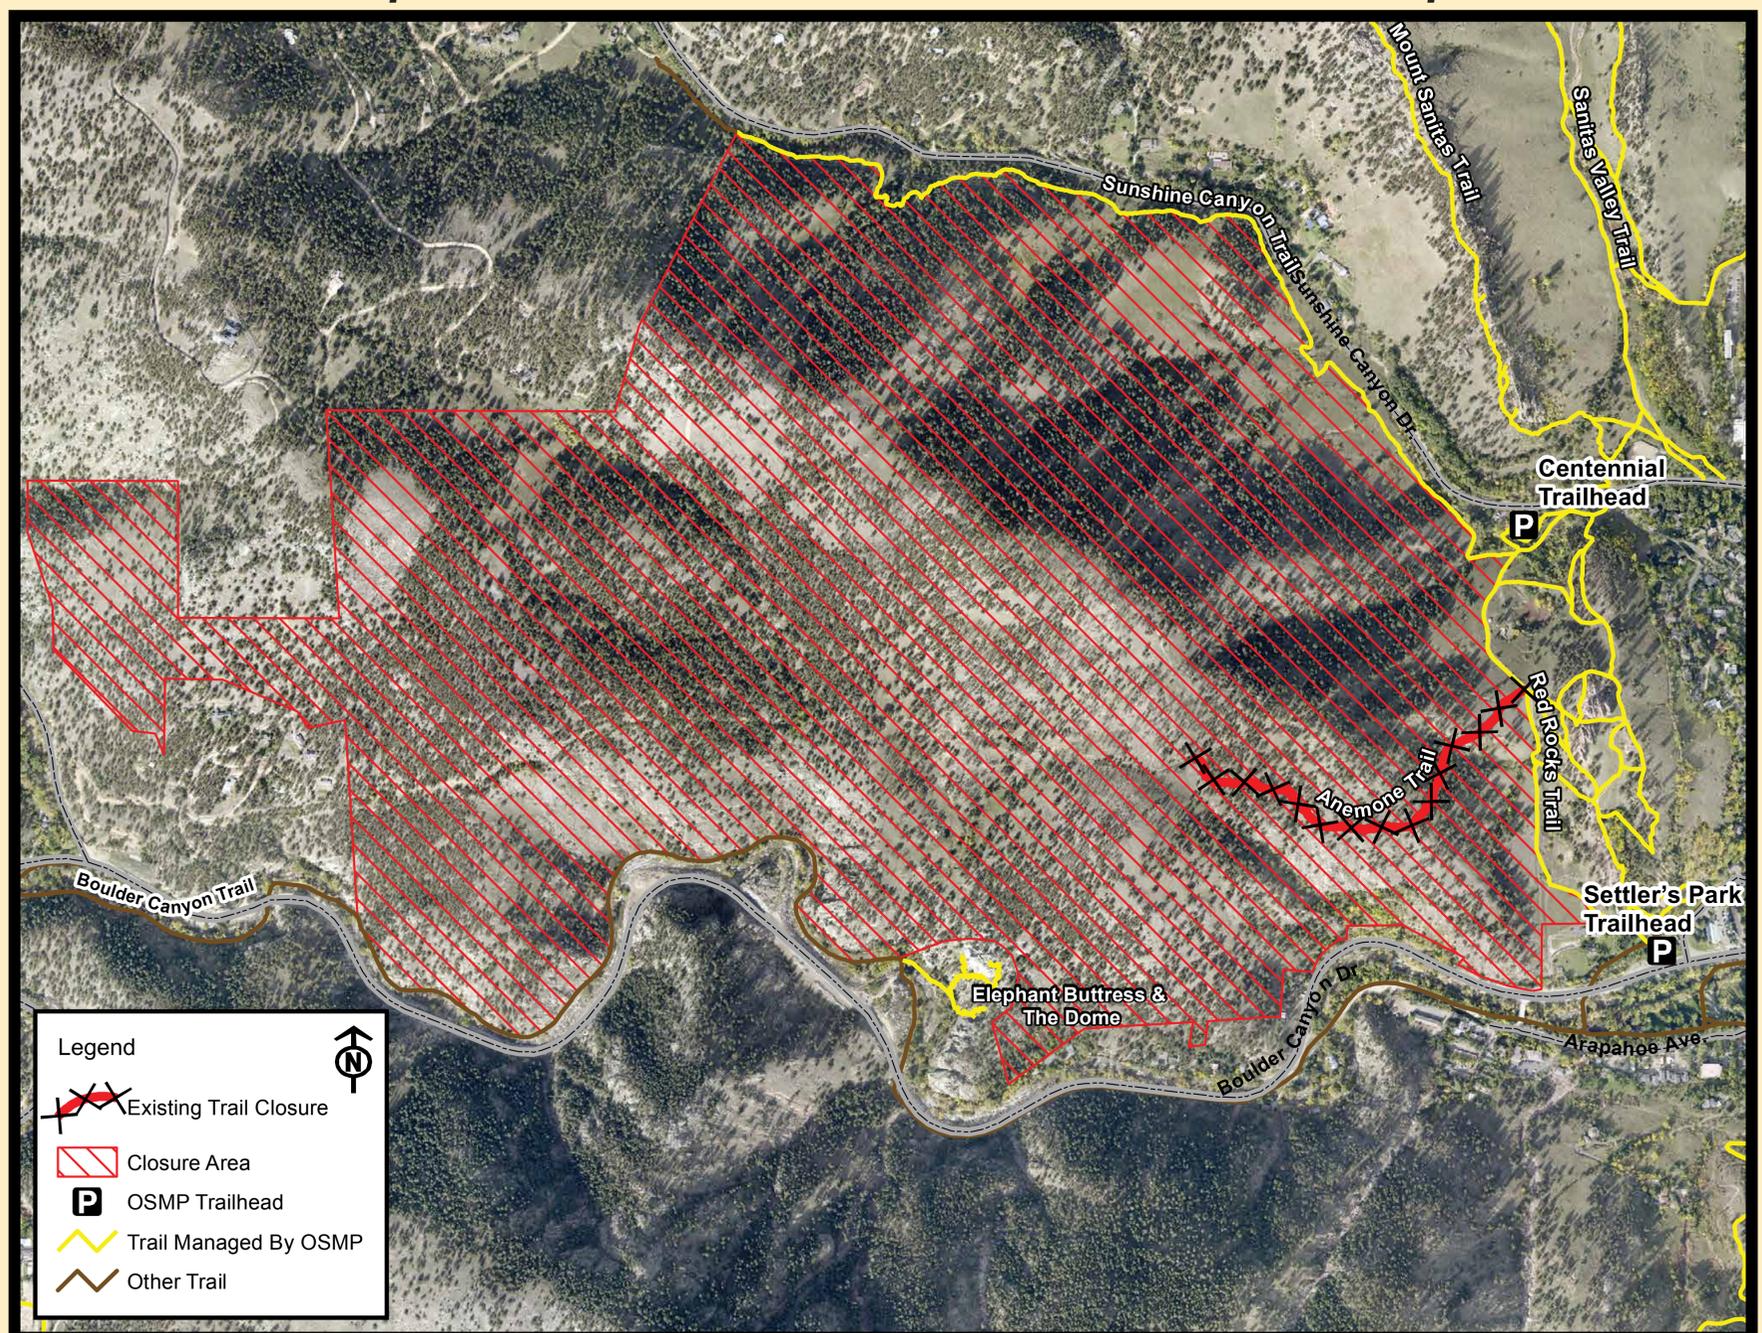

Anemone Hill Trail Construction and Restoration Project

During construction of the new Anemone Loop Trail, the area shown below is **TEMPORARILY** closed to the public in order to protect natural resources, to restore this landscape and to ensure visitor safety.

Upon completion of the Anemone Trail, access will be limited to *on trail travel only* for a period of two years or until restoration of undesignated trails is complete.

See the map below for closures details and other trail options.

Please enjoy other Open Space & Mountain Parks trails during this closure.

For more information please visit www.osmp.org and click on "Trail & Area Closures" or call 303-441-3440.
