

Social Misbehavior

Study Session, February 11, 2014

Questions for council

- Does council agree that there is a problem that needs to be addressed?
- Does council agree with strategies already implemented or underway?
- Are there additional actions council would like staff to explore?

Is there a problem that needs to be addressed?

- Problem Statement:
 - Behavior by individuals congregating on the municipal campus has made the area inhospitable to others in the community.
 - The behavior includes significant criminal activity. (646 citations in 12 months)
 - The municipal campus is a valuable community resource that is not currently available to the majority of community members.
- Does council agree with the problem statement?

Does council agree with strategies already implemented or underway?

- Increased Police Patrols
- Rules of Conduct
- No Smoking
- Increased Sentencing Guidelines
- Exclusion Orders

Does council agree with staff's proposed actions?

- Additional Panhandling Restrictions
- Partial Closure (Bandshell)
- Repeal Sentencing Limitations
- Enact Unlawful Conduct on Public Property Ordinance

Are there additional actions that council would like staff to explore?
