## Boulder Junction Transit-Oriented Development

Friday, May 6

11 a.m.—12:30 p.m.

Meet in front of Hyatt Place Boulder Pearl Street,  
2280 Junction Place

Join GO Boulder transportation planners Matt Jones and Chris Hagelin for a walking tour of Boulder Junction's past, present and future. The Boulder Railroad Depot once welcomed trains from Denver. Now, Boulder Junction is a transit-oriented community where people can live, work and play. Soon, Phase II of the project will bring more amenities for people to enjoy.

We'll walk and discuss:

- How do you currently get around Boulder?
- What community assets in this area are most important to you?
- What would you like to know about the changes to Boulder Junction?
