

CANNABIS LICENSING AND ADVISORY BOARD

Cannabis Licensing and Advisory Board (CLAB) consists of seven members appointed by City Council, the initial members first appointed by council will serve various terms between 1 years to 5 years that are staggered so that five members cycling off at the five-year point does not occur. Replacements to those initial seats will all be 5 year terms. Up to 2 ex officio non-voting members are allowed. The Board meets once a month on the first Monday of each month and will begin their meetings at 3PM. In the beginning, CLAB’s primary responsibility will include advisory functions. A complete list of the advisory functions can be found in B.R.C. 2-3-25(h). After between a 6 month to 2 years period from the board’s formation in 2020, the Board will also have the ability to make determinations on marijuana licensing for the City of Boulder. Hemp policy was also added to the board’s purview in March 5, 2020.
