Failure to maintain a compliance value at or below the MCL is a violation of Section 11.25(1)(g) of the Colorado Primary Drinking Water Regulations (“Regulation 11”), 5 CCR 1002-11.

As a result of the violation, please be advised of the following public notice requirements:

1. The Supplier must provide Tier 2 public notification on or before August 10, 2017 to the persons served by the Supplier.
2. Within 10 calendar days of completing the public notification requirement, the Supplier must submit a certification of delivery along with a representative copy of each distributed notice to the Department. Public notification forms and templates are located at colorado.gov/cdphe/pnrule.
3. The Supplier must repeat distribution of the public notice and submit a certification of delivery every three months as long as the violation persists.

This Violation Notice does not constitute an Enforcement Order and is not subject to appeal. The Department may pursue formal enforcement action with penalties concerning the above violation(s), including issuing the Supplier an Enforcement Order or amending a current order.

If there are any questions regarding the contents of this letter and/or requirements for the Supplier, please contact Robert Pohl by phone at 303.692.3254 or by email at robert.pohl@state.co.us.
