

## PROPOSED PROJECT SCOPE

- 1 Playground with new swings, climbing feature with plastic slide, play dome, and accessible surfacing
- 2 Naturalized area for increased play opportunities with a diversity of vegetation for sensory enrichment
- 3 New natural materials play area
- 4 Repair and paint existing shade shelter
- 5 Replace original irrigation system from 1993 incorporating new water conservation technology
- 6 Replace site furnishing: park sign, trash receptacles, and benches
- 7 New sand play area

## COMMUNITY FEEDBACK

### Comment period open until July 22

Thank you to those of you who were able to participate in the visual preference survey regarding the improvements for Christensen Park. This final draft concept plan was developed based on your feedback along with other considerations such as budget constraints. Comments on the final draft concept plan will be accepted until July 22. Please send any further comments, questions or concerns to the project manager, Tina Briggs, at [BriggsT@bouldercolorado.gov](mailto:BriggsT@bouldercolorado.gov).

Following the comment period, the team will be developing final construction documents with **construction anticipated to begin in the late summer or early fall of 2016**. Portions of the park will be closed during the construction period.

Colors and exact equipment may vary.
