LOCATION Park Central Building  
[1739 Broadway, Boulder CO](#)

### POSITION OVERVIEW

With Urban design elevated as a priority, we are looking for a talented professional to assist the Senior Urban designer in helping to improve design outcomes for the city. This is an opportunity to be involved in developing transformative design policies for the city of Boulder. The Urban Designer will work to facilitate community dialogue and building consensus regarding urban design, architecture and planning issues, coordinate projects, negotiate agreements, and to perform related duties as required.

### POSITION REQUIREMENTS

Bachelors degree in Urban Design, Architecture or related field and at least five years increasingly responsible experience and an active license to practice architecture or any equivalent combination of education and/or experience. Experience with graphic design and development of 3D models. Strong project management skills, including experience designing and leading public processes, negotiation and consensus building skills. Excellent presentation skills. Ability to communicate complex and controversial issues effectively, both orally and in writing with the public, boards and City Council, City personnel, other agencies or community groups. Ability to handle planning projects which involve politically sensitive or controversial issues.

### How to Apply

Interested candidates should submit an online application, complete with:

- Writing sample
- Cover letter
- Résumé

### Our Organization

The City of Boulder is a progressive organization with a culture that places a great deal of emphasis on diversity. We strive to achieve our vision of “*Service excellence for an inspired future*” by demonstrating core values in all that we do. These include:

- Respect
- Integrity
- Collaboration
- Innovation
- Customer Service

### About Boulder

The City of Boulder is a values-based organization that frequently ranks among the top in the nation for health, well-being, [quality of life](#), and education. Nestled at the foot of the beautiful Rocky Mountains and just 35 miles northwest of Denver, [recreation/entertainment](#) options are limitless. Boulder is home to 97,385 residents, the University of Colorado, and some of the state’s finest public and private K-12 institutions. The city—known worldwide for its natural beauty—is committed to sustainability and protecting the environment. Add in a moderate climate with 300+ sunny days a year and it’s clear that the Boulder area is an amazing place to live, work, and play.

### Employee Benefits

The City of Boulder offers comprehensive, affordable [benefits/wellness plans](#) to all standard employees. In addition to available health, vision, dental, life, extended disability, legal, and retirement plans, City employees receive a number of valuable perks, including an [RTD EcoPass](#) for unlimited rides on all local, express, and regional bus/light rail service and a [recreation pass](#) for unlimited use of all recreation centers, outdoor pools, and the Boulder Reservoir.
