THE SAFE RESPONSIBLE SALE OF CANNABIS

Sell-SMaRT™

Training Program (5- Hour Course)

Mission:

Cannabis Trainers™ strives to ensure the **Responsible ~ Aware ~ Knowledgeable** process of safe cannabis production and sales.

Overview:

Learn the essentials of safe and responsible cannabis sales. Protect yourself and your operation from risks and liabilities with responsible marijuana training from the Sell-SMaRT™ Responsible Vendor Programs.

Description:

The Sell-SMaRT™ program prepares budtenders, cannabis consultants, owners, managers and all front line store staff to effectively and safely handle complex situations in licensed stores.

Selling Cannabis involves many risks. Failure to act responsibly and proactively could result in fines, imprisonment, suspension of the license, increased insurance costs, or loss of business.

Sell-SMaRT™ is the first approved Responsible Vendor program by the Colorado Marijuana Enforcement Division and the Colorado Department of Public Health and Environment.

The course is customized with up to date rules and regulations including local rule variations.

The Sell-SMaRT™ Program
