

City of Boulder COMMERCIAL EnergySmart Program-to-Date Progress Report

This page summarizes progress to date since October 2011 in the commercial EnergySmart services. EnergySmart was conceived and developed through a joint effort of Boulder County Commissioners' Office of Sustainability, Boulder County Public Health, City of Boulder and City of Longmont. For more information, visit www.EnergySmartYES.com.

BUSINESS PARTICIPATION ACHIEVEMENTS

PARTICIPATION IN ENERGYSMART BY BUSINESSES OR PROPERTY OWNERS¹

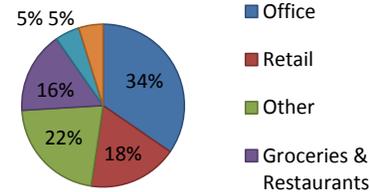

IMPACT

WORK COMPLETED		FUNDING BREAKDOWN	DEEMED ANNUAL SAVINGS FROM UPGRADES			
Number of Upgrades	Total Rebates Paid*	Federal	kWh	Therms	Cost Savings	mtCO ₂
881	\$2,023,162	\$632,709	10,704,416	12,646	\$950,366	8,584
Total Project Investment	Private Investment	City				
\$9,564,342	\$7,541,180	\$1,191,416				
Private Investment:Rebates ²	Program Simple Payback (yrs) ³	County	Energy and emissions savings to date from commercial EnergySmart are equivalent to taking 1804 cars off the road!			
3.7 to 1	2.1	\$199,517				

HIGHLIGHTS

- As of July, all of the County's \$140,000 in rebate funds have been allocated and no more rebate applications are being accepted for businesses outside of Boulder.
- The team is exploring ways to enhance renewable energy generation, including a Request for Proposal for a renewable energy service contract, and a volume discount to commercial businesses with partner Vote Solar.
- PACE launched its recognition program, featuring 20 certified businesses in the May Newsletter and now delivering bamboo-framed certificates to businesses. Several businesses contacted PACE as a result to find out how they could be certified. PACE also released its latest video highlighting partner accomplishments across the county.

USES OF BUILDINGS ENROLLED IN ENERGYSMART

ADVISING TO ACTION

Businesses that make upgrades after receiving EnergySmart advising services⁴:

45%

Last updated June 30, 2015

(1) Definitions:

Businesses Upgraded: Businesses that have implemented an energy efficiency project such as a lighting retrofit, and received an EnergySmart Rebate.

Business Partners: Businesses that have received an Assessment or 4 or more Advising Services on a project, or 1 Advising Service on a completed project.

Advising Services Include: Opportunity Analysis; Audit Report Review; Behavior Change Recommendations; Technical Assistance; Referral to Partner Programs; Costs and Benefits Assessment; Barrier Assessment; Financial Incentive Support; Contractor/Bid Support; Loan Financing Options; Compliance Assistance; Support Projects Through Implementation; Multiple Project Advising; Utility Bill Analysis; ENERGY STAR Portfolio Manager; and Certification.

Business Participants: Businesses that have completed a project or received four or more Advising Services. These are unique businesses out of an estimated 6,500 commercially-housed businesses in Boulder County.

(2) For every \$1 spent in rebates, almost 4 were invested in the community towards these efficiency projects.

(3) The total Rebate amount invested in the program to date will be equalled by the resulting Energy Cost Savings in 2 years.

(4) Percent of all businesses completing Advising¹ that have so far gone on to complete at least one of those projects. Updated annually.
