

BICYCLE PARKING POSSIBILITIES

ACCESS GOALS

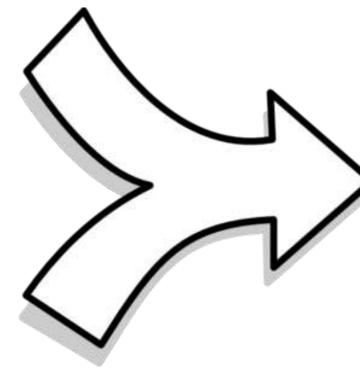

- Promote the use of alternate transportation methods.
- Provide bicycle parking to promote riding to the facility.
- Provide the minimum amount of asphalt to preserve the park.
- Provide enough parking for the pool, playground, park, skate park, and baseball field.
- Create shared parking options with adjacent properties.
- Provide optional deferred parking for future needs.

REGIONAL PARKING ANALYSIS

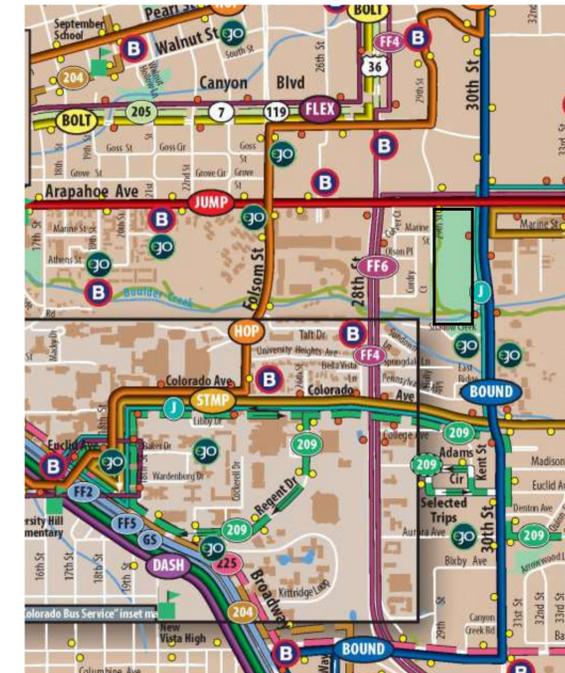

- A parking study was done based on 4 existing aquatics parks in the northern region.
- Parking for the site is based on square footage and varies between jurisdictions.
- The current site has 128 spaces and will need between 215 and 290 spaces.

BICYCLE PARKING

- Provide bicycle parking based on the City of Boulder requirements.
- Provide shaded bicycle parking.
- Provide bicycle parking for family chariots.

TRANSPORTATION ACCESS

There are multiple local and regional bus stops on and around the site.

Buss Routes Include:

- Bound
- FF4 and FF6
- 206
- J
- Jump

There are numerous foot and bicycle paths around the site.

- B Boulder B-cycle Location
- Bike Shop
- eGo Car Share Location
- Water Fountain
- Restroom and Water Fountain
- Enhanced Pedestrian Crossing
- Bridge
- Underpass
- Designated Bike Route
- Multi-Use Path
- On-Street Bike Lane
