

HARLOW PLATTS COMMUNITY PARK CAPITAL IMPROVEMENT BOND OVERVIEW

CAPITAL IMPROVEMENT BOND OBJECTIVES

The objective of the Capital Improvement Bond is to address 'critical infrastructure deficiencies' throughout the Park and Recreation system.

General 'critical infrastructure deficiency' categories include:

- Safety and Compliance
- Accessibility
- Upgrades to Equipment and Park Elements

HARLOW PLATTS DEFICIENCIES TO BE ADDRESSED

1. PAR COURSE EXERCISE EQUIPMENT

Accessibility

- Provide access to par course equipment by repairing or replacing concrete sidewalks
- Provide accessible par course equipment

Upgrades to Equipment and Park Elements

- Replace par course equipment

2. NEW PAVILION STRUCTURE

Upgrades to Equipment and Park Elements

- Provide new pavilion for private events

 EXISTING PAR COURSE EXERCISE LOCATION

 EXISTING SHELTERS

 EXISTING PAR COURSE EXERCISE ROUTE

Improvements at Harlow Platts Community Park are made possible through the Capital Improvement Bond that was approved by voters in November of 2011
