

# IMMIGRANT ADVISORY COMMITTEE (IAC)

## City of Boulder

### MISSION

The **Immigrant Advisory Committee (IAC)** to City Manager serves to encourage immigrant involvement in city government and to advise the City on issues relating to the immigrant community. It is dedicated to ensure access to all persons residing in the City of Boulder, regardless of national origin and citizenship status, to the full benefits, opportunities and services provided and administered by the City.

### ROLE

- Make recommendations to the City Manager to further involve immigrants in local government;
- Cooperate with and make recommendations to City departments and commissions that administer and enforce regulations relating to City services and policies that affect immigrants;
- Serve as a focus group for City departments developing service plans;
- Hold quarterly meetings to obtain input from the immigrant community about programs, policies and issues that relate to immigrants who are the residents of the City of Boulder.

### ACCOMPLISHMENTS

- Boulder Public Library services and Programs;
- Division of Housing affordable housing programs;
- Parks and Recreation Department's master plan;
- Fire Department's master plan;
- Transit Village plans;
- Human Resources plans to broaden job opening announcements;
- Economic Vitality.
