

East Arapahoe Transportation Plan  
**Community Working Group Members**

- **Kai Abelkis** is the Sustainability Coordinator for Boulder Community Health located along East Arapahoe. Kai has been a member of the city's Transportation Master Plan Community Working Group and has been president of Boulder Transportation Connections.
- **Dave Baskett** has lived in southeast Boulder for 25 years and is a professional traffic engineer who has worked on many transportation projects within Boulder. Dave is a Board member of the Meadow Glen Residents Association.
- **Aaron Cook** is the Director of Safety, Facilities and Operations for Naropa University, which has two campuses along Arapahoe. Aaron understands that transportation is a critical issue for Naropa as students and faculty move between their two locations a few times a day.
- **David Cook** is the Senior TDM Program Manager with the Parking and Transportation Services Department at the University of Colorado Boulder. David has served on many local and regional stakeholder groups as a representative of the University of Colorado.
- **Johnny Drozdek** is a south Boulder resident who travels the East Arapahoe corridor daily. Johnny is generally interested in getting involved in the community conversation around transportation issues and would like to share information about the project with friends and neighbors.
- **Brianne Eby** is a University of Colorado student who works on east campus along East Arapahoe. She has an interest in transportation policy and behavior and will be studying this topic for her upcoming PhD research.
- **Guy Fromme** is the Senior Facility Engineer and Energy Manager for Ball Aerospace, which is one of the major employers located along East Arapahoe.
- **Aaron Johnson** is a resident of the Cherryvale neighborhood in unincorporated Boulder County. Aaron has both a personal and a professional/academic interest in transportation planning, as a traveler in the East Arapahoe corridor and as a professor of urban and environmental sociology.
- **Andrew Johnson** has lived in Boulder's Cherryvale neighborhood since 1975 and is a multi-use commuter with interest in assisting city staff during the planning phase of the East Arapahoe Transportation Plan.
- **Yvan Lehuierou** is the owner of B town Wine and Spirits on East Arapahoe. She brings experience as a local small business owner.
- **Elizabeth Mauer** works along East Arapahoe at the Foothills Hospital area and has lived in Boulder since 1979. She commutes from the Gunbarrel area via bicycle most days; and brings an experienced view to community issues.
- **Nicki McCord** is the organizational advisor for the Boulder County Voices for Invisible Populations, an organization that pays special attention to issues that affect those with short and long term disabilities and the frail elderly. Nicki is also a Commissioner on the Boulder Housing Partners Board and a member of the Boulder Chamber's Community Affairs Council.

- **Ben Molk** is an asset manager for Goff Capital Partners, a large property owner within the Flatiron Business Park located along the East Arapahoe corridor.
- **Sherry Olson** is a Boulder resident interested in assisting the city in developing a long-term vision and preferred concept plan for East Arapahoe. She does not own a car, and travels by bike or bus. Sherry is a volunteer scientist at NCAR.
- **Aaron Pasterz** works for the Center for Independent Living-Center for People with Disabilities and is a member of ADAPT's Boulder, Colorado chapter. Aaron is also part of a local Coordinating Council for Boulder County working on transportation needs and is a former member of the leadership fellows group through the Boulder Community Foundation.
- **Elisabeth Patterson** is a Public Affairs Associate with the Boulder Chamber. She will help to facilitate conversations about East Arapahoe with the business community.
- **Sue Prant** is the Executive Director of Community Cycles. She has been working professionally on sustainable planning and transportation issues for 25 years and has served on the city's Maintaining the Middle Housing Working Group, the Transportation Master Plan Bicycle/Pedestrian working group and serves on the Boulder Junction Parking and TDM Board.
- **Anna Reid** works at the Center for People with Disabilities along East Arapahoe and is a member of the Transportation Advisory Board.
- **Bill Roettker** has worked at Ball Aerospace along East Arapahoe for 15 years. He served on the city's Transportation Advisory Board from 2003 to 2005 and has participated in several local and regional transportation working groups.
- **Thomas Sanford** is a 25-year Boulder resident who lives in the East Arapahoe corridor. He brings a senior citizen's perspective to the planning process.
- **Jerry Shapins** is a Boulder resident and is a skilled urban designer and artist. He has participated in the city's downtown design guidelines update and is a current board member of the Downtown Management Commission.
- **Becca Weaver** is a resident of the East Arapahoe corridor and the Farm and Sustainability Director for the Jewish Community Center located along East Arapahoe. Becca also offers a background in sustainable community development.
