

# Living Laboratories

## Project Locations

The City of Boulder launched a 'Living Laboratory', to test new bike facilities and see if they are appropriate for Boulder.

The city is encouraging everyone to ride the new bike facilities and share your experiences on InspireBoulder.com.

### Living Laboratory Projects Include:

- 1** Spruce Street Buffered Bike Lanes
  - 2** University Avenue Back-in-Angle Parking
  - 3** University Avenue Parking-Protected Bike Lanes
  - 4** Baseline Road Protected Cycle Track
  - 5** Harvard Lane Advisory Bike Lane
  - 6** E-bike Pilot Project
- To view a map of off-street multi-use paths that allow the use of electric-assisted bicycles (E-bikes), visit [tinyurl.com/EbikesBoulder](http://tinyurl.com/EbikesBoulder)
