

**Medical Marijuana Business (MMB) Licensing Fee Schedule**

As of December 6, 2016

<b>Application type</b>	<b>Process Summary</b>	<b>City Fee (Checks only and must be payable to City of Boulder)</b>
<u>New License Application:</u> Brand New Applicants new to Boulder or Existing Boulder licensee selling to new non- Boulder licensee business owner that is not yet approved by City of Boulder.	Complete MMB application legally required. Existing Boulder business must surrender license/close business to make way for new license application. Tax ID # changes so zoning form is reviewed as part of new sales tax license application, and if zoning is approved, then licensing time/date stamps form with copy to applicant so that building permits can be applied for. New MMB business application fully reviewed. New business may open only after MMB license is inspected, issued and approved by city.	\$4,500 application fee, \$2,075 licensee fee, \$25 sales tax fee + \$39.50 each background check. If review of application undertaken, application fee retained in its entirety regardless of whether new license is issued.
<u>Transfer Application:</u> Existing Boulder licensee selling to new business entity	Complete MMB application legally required. Existing Boulder licensee signs city transfer doc. to indicate that they will turn in their current license at the time that new license to buyer is issued. Tax ID # changes but zoning grandfathered so biz license not reviewed by zoning. License fee is not required because new Boulder licensee would only receive the remainder of the original license term in transfer if approved. If any modifications are contemplated, then separate perm. modification application w/fee and inspections is also required. Current Boulder licensee operates business until new license for buyer is issued, and approved by city at which time old license is surrendered and new license is issued to buyer for remaining license term. Buyer provides inventory of furniture, fixtures, equipment and product that buyer is purchasing with transfer application. Buyer then takes over business.	\$4,500 application fee, \$25 sales tax fee + \$39.50 each background check as necessary and for persons who have not been checked for longer than 1 year. If review of application undertaken, application fee retained in its entirety regardless of whether transfer is approved.

Change of Location Application:  
Existing Boulder licensee wants to move its business location that is already properly approved and issued to a new unlicensed premise location.

Complete MMB application for new location legally required. Existing Boulder business may operate at old location until new location is approved but licensee must provide letter that they will close down business at old location/ turn in old city license if approved at new location. Tax ID # does not change so business license application to update business address is accepted without need to pay duplicate fee and zoning form is reviewed as part of this change of location business license application. If zoning is approved, then licensing time/date stamps form with copy to applicant so that building permits can be applied for. Change of Location MMB business application fully reviewed. Licensee only receives remaining license term at new location. New location of business may open only after old MMB license is surrendered and after new MMB license location is inspected, issued and approved by city.

\$4,500 application fee + \$39.50 each background check (only required if new persons are added or if it has been longer than 1 year for background checks). If review of application for new location is undertaken, application fee retained in its entirety regardless of whether change of location license is issued.

Renewal Application: Existing Boulder licensee is renewing annual license for next annual term

Notification of upcoming renewal sent to Boulder licensee at least 90 days ahead of license expiration date and renewal are required to be filed at least 45 days before license expiration date or a late filing fee is assessed. Complete MMB application with only attachments that have changed in the last year legally required. Operations for past year reviewed by city, including but not limited to, inspection reports, enforcement activity, community complaints, and advertising issues. If state license has been approved during the city license term, the city expiration date will be change to match that of the state and the city renewal fee will be pro-rated according to resulting term.
