

MAPPED ACTIONS IN SCENARIO 2

Scenario Ref #	Action
2A	<p>OSMP is interested in collaborating with community and partner agencies to create regional connections as opportunities arise that include North TSA trails.</p> <p>Potential regional connections:</p> <ul style="list-style-type: none"> • North TSA to Boulder County Parks and Open Space Lagerman/Imel/AHI Open Space Complex • North TSA to Boulder County Parks and Open Space Heil Valley Ranch • A Boulder to Lyons trail connection including the efforts of the Rocky Mountain Greenway Project • IBM Connector Trail (<i>construction pending</i>) • Fourmile Canyon Creek Trail underpass to Cottonwood Trail (<i>construction pending</i>) • Eagle Trail to the planned Boulder Reservoir Trail
2B	Re-route west end of Degge Trail, close internal area of Degge, Mesa Reservoir Trail, western section of Eagle and steep, downhill eastern portion of Eagle Trail and design new trail connections.
2C	Create a loop trail connection including re-routes of existing trails, paragliding access trails and undesignated trails to provide more sustainable connections to paragliding launch sites and replace undesignated trail connections.
2D	Close Ryan, Andrea, Waldorf and Jacob properties to public access.
2E	Retain the Habitat Conservation Area management designation for the Joder property.
2F	Construct trailhead and passenger vehicle parking on the Cox property for access to the Joder property.
2G	Construct a multi-use north-south connector trail from Foothills Trail to the Joder property using the northern part of Railroad Grade and a new trail located west of Foothills Industrial Park. Do not allow any off-trail permits west of proposed connector trail. Determining a trail alignment that balances natural resource conservation, visitor experience and sustainable trail construction interests will be challenging to achieve with this conceptual trail corridor through the North Foothills Habitat Conservation Area (HCA).
2H	Evaluate the feasibility of moving the Sage (Boulder Valley Ranch) Trailhead and parking farther west along Longhorn Road. If the trailhead cannot be relocated, bring the trailhead up to OSMP standards.
2I	Move the Eagle Trailhead to the Ellison property and reroute Eagle Trail to connect to Sage Trail using the existing vehicle access path. Close and restore the Eagle Trailhead and eastern portion of Eagle Trail connecting to the restored trailhead location.
2J	Take on management of North Rim Trail from Boulder County.
2K	Create a covered meeting area near Wonderland Lake Trailhead.
