

## MAPPED ACTIONS IN SCENARIO 4

Scenario Ref #	Action
4A	<p>OSMP is interested in collaborating with community and partner agencies as opportunities arise to create regional connections that include North TSA trails.</p> <p><b>Potential regional connections:</b></p> <ul style="list-style-type: none"> <li>• North TSA to Boulder County Parks and Open Space Lagerman/Imel/AHI Open Space Complex</li> <li>• North TSA to Boulder County Parks and Open Space Heil Valley Ranch</li> <li>• A Boulder to Lyons trail connection including the efforts of the Rocky Mountain Greenway Project</li> <li>• IBM Connector Trail (<i>construction pending</i>)</li> <li>• Fourmile Canyon Creek Trail underpass to Cottonwood Trail (<i>construction pending</i>)</li> <li>• Boulder's Area III properties to the North TSA</li> </ul>
4B	Re-route west end of Degge Trail, close internal area of Degge, Mesa Reservoir Trail, western section of Eagle and steep, downhill eastern portion of Eagle Trail and design new trail connections.
4C	Create a loop trail connection including re-routes of existing trails, paragliding access trails and undesignated trails to provide more sustainable connections to paragliding launch sites and replace undesignated trail connections.
4D	Close Ryan, Andrea, Waldorf and Jacob properties to public access.
4E	Construct a multi-use north-south connector trail from Foothills Trail to the Joder property using the northern part of Railroad Grade and a new trail located west of Foothills Industrial Park. Do not allow any off-trail permits west of proposed connector trail. Determining a trail alignment that balances natural resource conservation, visitor experience and sustainable trail construction interests will be challenging to achieve with this conceptual trail corridor through the North Foothills Habitat Conservation Area (HCA).
4F	Construct trailhead and passenger vehicle parking on the Cox property for access to the Joder property.
4G	Relocate and combine the Sage (Boulder Valley Ranch) Trailhead with Foothills Trailhead and expand capacity.
4H	Re-route and rebuild trails extensively south of the Boulder Valley Ranch Trailhead.
4I	Provide trail connection from Boulder Valley Ranch to Niwot Road by taking over the management of the North Rim Trail from Boulder County and connecting North Rim Trail to 55 <sup>th</sup> Street along the north side of the Axelson property. Close trail on the Axelson property during osprey nesting season (up to 8 months).
