

Neighborhood Speed Management Program (NSMP) Petition Form

Thank you for your interest in the NSMP. Registration for the engineering component of the program requires both a completed registration form and this petition. **This form must have signatures from 20 neighbors or 30% of households on the same block** (households must be adjacent to the side of the street where traffic calming is desired, or on one entire block adjacent to an intersection where traffic calming is desired).

Street Name: _____

(Where Traffic Calming is Desired)

First Cross Street Name: _____

Second Cross Street Name: _____

Registrant Name: _____

Address: _____

Phone: _____

Email: _____

By signing this form, we petition the City of Boulder Transportation Division to analyze and evaluate transportation conditions on our street. We recognize that NSMP projects will be developed based on an analysis of conditions and community input, and will be prioritized based on the scoring criteria outlined in the NSMP Guidelines and available resources.
