

North Trail Study Area Plan

Preliminary Scenario Workshop Polling Results

Oct. 5 2015

This document includes polling results from the Oct. 5, 2015 preliminary scenario workshop. Workshop participants were polled at the end of the workshop on questions related to the North Trail Study Area (TSA) preliminary scenarios.

Results by Question

1. Where do you live?

	Responses	
	Percent	Count
Boulder (in city limits)	60.61%	20
Superior	0.00%	0
Lafayette	6.06%	2
Louisville	3.03%	1
Longmont	9.09%	3
Other Boulder County City	3.03%	1
Unincorporated Boulder County	18.18%	6
Other Metro area city	0.00%	0
Other area in Colorado	0.00%	0
Out of state/out of country	0.00%	0
Totals	100%	33

2. How many years have you been visiting OSMP properties?

Responses		
	Percent	Count
More than 20 years	62.50%	20
10 to 20 years	25.00%	8
5 to 10 years	6.25%	2
2 to 5 years	3.13%	1
1 to 2 years	3.13%	1
1 year or less	0.00%	0
Totals	100%	32

3. What is your age?

Responses		
	Percent	Count
Less than 20	0.00%	0
20 to 29	3.13%	1
30 to 39	6.25%	2
40 to 49	15.63%	5
50 to 59	28.13%	9
60 to 69	31.25%	10
70 +	15.63%	5
Totals	100%	32

4. How well do you think SCENARIO 1 balances the identified interests?

	Responses	
	Percent	Count
Extremely well	9.38%	3
Very well	6.25%	2
Well enough	15.63%	5
Not very well	53.13%	17
Not at all	12.50%	4
Not sure	3.13%	1
Totals	100%	32

5. Which of the identified interests are best addressed in SCENARIO 1?

(Choose as many as you like)

	Responses	
	Percent	Count
Improved visitor experience	9.23%	6
Conservation of natural resources	32.31%	21
Improved access and accessibility	9.23%	6
Honoring community values & commitments	7.69%	5
Increased education and understanding	4.62%	3
Improved connectivity	4.62%	3
Balance of recreation and natural resources	15.38%	10
Increased safety	3.08%	2
Decreased visitor conflict	6.15%	4
Effective planning and implementation	7.69%	5
Totals	100%	65

6. Which, if any, of the identified interests is NOT well addressed in SCENARIO 1?

(Choose one)

Responses		
	Percent	Count
Improved visitor experience	13.33%	4
Conservation of natural resources	16.67%	5
Improved access and accessibility	6.67%	2
Honoring community values & commitments	0.00%	0
Increased education and understanding	3.33%	1
Improved connectivity	36.67%	11
Balance of recreation and natural resources	6.67%	2
Increased safety	10.00%	3
Decreased visitor conflict	3.33%	1
Effective planning and implementation	3.33%	1
Totals	100%	30

7. How well do you think SCENARIO 2 balances the identified interests?

Responses		
	Percent	Count
Extremely well	3.03%	1
Very well	9.09%	3
Well enough	30.30%	10
Not very well	42.42%	14
Not at all	15.15%	5
Not sure	0.00%	0
Totals	100%	33

8. Which of the identified interests are best addressed in SCENARIO 2?

(Choose as many as you like)

	Responses	
	Percent	Count
Improved visitor experience	14.47%	11
Conservation of natural resources	6.58%	5
Improved access and accessibility	15.79%	12
Honoring community values & commitments	5.26%	4
Increased education and understanding	5.26%	4
Improved connectivity	30.26%	23
Balance of recreation and natural resources	10.53%	8
Increased safety	5.26%	4
Decreased visitor conflict	2.63%	2
Effective planning and implementation	3.95%	3
Totals	100%	76

9. Which, if any, of the identified interests is NOT well addressed in SCENARIO 2?

(Choose one)

	Responses	
	Percent	Count
Improved visitor experience	13.79%	4
Conservation of natural resources	34.48%	10
Improved access and accessibility	6.90%	2
Honoring community values & commitments	3.45%	1
Increased education and understanding	0.00%	0
Improved connectivity	3.45%	1
Balance of recreation and natural resources	13.79%	4
Increased safety	3.45%	1
Decreased visitor conflict	17.24%	5
Effective planning and implementation	3.45%	1
Totals	100%	29

10. How well do you think SCENARIO 3 balances the identified interests?

	Responses	
	Percent	Count
Extremely well	0.00%	0
Very well	6.45%	2
Well enough	16.13%	5
Not very well	51.61%	16
Not at all	25.81%	8
Not sure	0.00%	0
Totals	100%	31

11. Which of the identified interests are best addressed in SCENARIO 3?

(Choose as many as you like)

	Responses	
	Percent	Count
Improved visitor experience	11.63%	5
Conservation of natural resources	27.91%	12
Improved access and accessibility	9.30%	4
Honoring community values & commitments	13.95%	6
Increased education and understanding	13.95%	6
Improved connectivity	0.00%	0
Balance of recreation and natural resources	11.63%	5
Increased safety	0.00%	0
Decreased visitor conflict	6.98%	3
Effective planning and implementation	4.65%	2
Totals	100%	43

12. Which, if any, of the identified interests is NOT well addressed in SCENARIO 3?

(Choose one)

	Responses	
	Percent	Count
Improved visitor experience	0.00%	0
Conservation of natural resources	13.79%	4
Improved access and accessibility	13.79%	4
Honoring community values & commitments	0.00%	0
Increased education and understanding	0.00%	0
Improved connectivity	55.17%	16
Balance of recreation and natural resources	10.34%	3
Increased safety	3.45%	1
Decreased visitor conflict	3.45%	1
Effective planning and implementation	0.00%	0
Totals	100%	29

13. How well do you think SCENARIO 4 balances the identified interests?

	Responses	
	Percent	Count
Extremely well	19.35%	6
Very well	19.35%	6
Well enough	19.35%	6
Not very well	29.03%	9
Not at all	12.90%	4
Not sure	0.00%	0
Totals	100%	31

14. Which of the identified interests are best addressed in SCENARIO 4?

(Choose as many as you like)

	Responses	
	Percent	Count
Improved visitor experience	14.29%	18
Conservation of natural resources	7.94%	10
Improved access and accessibility	9.52%	12
Honoring community values & commitments	8.73%	11
Increased education and understanding	8.73%	11
Improved connectivity	17.46%	22
Balance of recreation and natural resources	14.29%	18
Increased safety	6.35%	8
Decreased visitor conflict	8.73%	11
Effective planning and implementation	3.97%	5
Totals	100%	126

15. Which, if any, of the identified interests is NOT well addressed in SCENARIO 4?

(Choose one)

	Responses	
	Percent	Count
Improved visitor experience	8.33%	2
Conservation of natural resources	58.33%	14
Improved access and accessibility	8.33%	2
Honoring community values & commitments	8.33%	2
Increased education and understanding	4.17%	1
Improved connectivity	4.17%	1
Balance of recreation and natural resources	0.00%	0
Increased safety	0.00%	0
Decreased visitor conflict	8.33%	2
Effective planning and implementation	0.00%	0
Totals	100%	24
