Occupation Tax listed above is for an entire year period. Occupation Tax is a yearly tax that is billed each January 1 and each July 1 for the next 6 month period and is due 30 days after the billing date.

For New licenses, occupation tax need not be paid at the time of application but instead will be pro-rated and billed based on the date of license issuance. For Transfer licenses, occupation tax must be paid before a temporary license will be issued.

Occupation tax continues to accrue even in the instance of closure so it is in a licensee's best interest to promptly surrender licenses.

ACKNOWLEDGEMENT OF TRANSFER OF LICENSE SUBJECT TO
PAST, PENDING, OR POSSIBLE FUTURE DISCIPLINARY ACTION**

I, _____ (Person's Name) on behalf of _____ (Business Applicant Name) am the applicant for transfer of the liquor license currently issued to _____ at the licensed premise location of _____.

I understand and agree that if the transfer of the license is approved, the license may continue to be subject to any restrictions and conditions currently on the license. I understand that if there are any days of suspension currently held in abeyance against the license, the license may continue to be subject to those days in abeyance even after the transfer.

I further understand that if any incidents, which could subject the license to disciplinary action, have either occurred or will occur on the licensed premise prior to approval of the transfer, the license may still be subject to possible disciplinary actions that could affect the license, even after the transfer, only where myself, my agents(s) and/or my employees either knew or should have known of the incidents.

I understand that it is my sole responsibility to inquire and investigate all possible sources of information to learn of any past, ongoing or possible future disciplinary actions that could result in any revocation, suspension, or fines being imposed. These sources include, but are not limited to the inquiry and investigation of the current licensee, manager(s), employees of the licensed premise, and the review of the public records of the Colorado Department of Revenue, the Boulder City Licensing Division, the Boulder Police Department, the Boulder District Court, the Boulder Municipal Court, and/or the Boulder County Court Criminal Divisions.

I also understand that I have the option to withdraw the application for the transfer of the license and file an application for the issuance of a new liquor license. 7. A valid consular identification card from any foreign country.

If a licensee reasonably relies on one of the above ID's for proof of age, that licensee's liquor license cannot be suspended or revoked for sale to a minor. If, however, a licensee relies on any other type of ID, his license can still be suspended or revoked if the customer with the ID turns out to be underage. Licensees need not take chances, and they should only accept one of the five types of proper ID's above. Persons without proper ID can always be refused service of alcohol.

False Identification

Licensees are permitted under CRS 12-47-901(5)(a)(II) to confiscate suspected false or fraudulent identification. Confiscated identification must be turned over to a state or local law enforcement agency within 72 hours. The following are some methods which can be used to detect false ID's:

1. Ask for a second piece of identification.
2. Put a flashlight behind a Colorado driver's license to spot alterations.
3. Check for an extra layer of lamination.
4. Look at both sides of an ID for alterations.

Fingerprinting Information

Fingerprinting procedures for City of Boulder liquor licensing and medical marijuana licensing purposes:

- 1) Applicants are preferred to be fingerprinted on Boulder Police Department (BPD) fingerprint cards. If the liquor license applicant or medical marijuana applicant lives out of state or out of the City of Boulder, you may be fingerprinted at your local police department or sheriff's office if the outside agency prints on and you are able to provide the Licensing Clerk with standard cardstock FBI fingerprint cards. Please contact the Licensing office at 303-441-4192 to discuss other arrangements.
- 2) Applicants should be prepared to let the BPD department employee who is fingerprinting them know whether they live in the City of Boulder or, because they have a signed lease or deed for their proposed licensed establishment, that they currently work in the City of Boulder qualifying them for BPD printing.
- 3) On the fingerprint card there is a box that asks "Reason Fingerprinted." Unless the police department directs you otherwise, you can leave this box blank. The city licensing office and the police department may have stickers to put in this section. The stickers says: "Liquor License, City of Boulder, CO; C.R.S. 12-47-307(3)(a)(b)." for liquor licensing or "Med. Marijuana License, City of Boulder, CO; C.R.S. 12-43.3-307 (2) (a) (c)" for medical marijuana city licensing. If the police officer printing you wants you to write something in, then you should write the above information in.
- 4) When you submit your application, you must submit \$38.50 for liquor licensing prints or \$39.50 for medical marijuana licensing prints per person in certified funds or pre-printed business checks. Please make your money orders or cashier's checks payable to the City of Boulder.

There are 2 locations to be fingerprinted for City of Boulder license applications. Fingerprinting services are offered at the main police station and the downtown Community Police Center (CPC). There is an \$11.00 fee per fingerprint card. Please call the below PD location to ensure that the fingerprint specialist is on duty that day.

What Constitutes a licensed premises

Within the Colorado Liquor Code, "licensed premises" means the premises specified in an application for a license which are owned or in possession of the licensee within which such licensee is authorized to sell, dispense, or serve alcoholic beverages. The licensee must submit a diagram of the licensed premises at the time of application. The diagram should be on an 8-1/2"x 11" piece of paper, it may be hand drawn using a ruler; it does not have to be to scale but should state the outside dimensions of the structure. Additionally, the various rooms should be labeled with details of storage and serving areas, such as coolers, the bar, entrances, exits and passages.

The licensed premises must be clearly indicated. If located in a shopping center or "strip center" provide only a diagram of the area to be licensed, not the entire shopping center. If an establishment has several floors, a diagram should be submitted for each floor if they are substantially different. However, if the floors are essentially the same, such as might be the case in a hotel, then one diagram of the main floor accompanied with an additional diagram of a typical guest floor, stating that there are "x" number of similar floors will be satisfactory.

For someone who has never made a diagram of a licensed premises, it may be helpful to think of the lines of delineation as solid walls. With this in mind, it should be noted that alcohol must be stored within the licensed premises and that a "Hotel and Restaurant Liquor License" must also have a fully operational kitchen within the licensed premises. Keep in mind, that if an area is not part of the licensed premises, no alcohol can ever be in that area. Therefore, a licensed premises' rooms and/or passages must connect.

The licensee must at all times have legal possession of the licensed premises through ownership, lease or other written arrangement which must only be in the name of the licensee. Additionally, a licensed premises must also qualify under other laws and regulations such as zoning, health and fire codes.

Once an establishment is granted a license, the licensee may not materially or substantially alter the licensed premises without prior written approval from both the local and state licensing authorities. To "alter" means: any increase or decrease in the capacity of the establishment; moving, adding or increasing the size of a bar; the sealing off, creation of, or relocation of doors or passages. In short, a licensee may not change or modify the premises in such a way that would affect the basic character or physical structure as it was previously approved, unless new approval is obtained.

Boulder Neighborhood Needs & Desire Petitioning

After you have completed your application and submitted it for consideration, the Licensing Office will set hearing dates for your neighborhood boundaries and for your application public hearing.

The neighborhood boundaries set are typically not less than 1/2 mile radius from the site proposed for a liquor license. The public hearing date will be not less than thirty (30) days from the date of receipt of your complete application by the Licensing Office.

The Beverages Licensing Authority (the "Authority") will set your neighborhood boundaries, usually at the hearing the month before your public hearing. You are welcome to attend your boundary setting hearing or to submit suggested boundaries, but you are not required to do so.

Before approving a liquor license application, the Authority must consider the reasonable requirements of the neighborhood and the desires of the adult inhabitants as evidenced by petitions, remonstrance, supporting witnesses or other evidence submitted by the applicant and by residents and business owners/managers of the designated neighborhood. In person witness testimony may be given at the hearing. Letters in favor or opposed to the application should be submitted prior to the hearing.

Although the law does not require that an applicant petition the neighborhood, it is the most common form of evidence presented. Signatures obtained from door to door petitioning must be from residents and business owners/managers of the Authority defined neighborhood. Please note that only door to door petitions will be considered by the Beverage Licensing Authority. For the resident petitions, all persons signing must be at least 21 years of age and reside in the neighborhood. For the business petitions, all persons signing must be at least 21 years of age and own and/or manage a business in the defined neighborhood. You must provide the Authority with sufficient evidence to support its findings that: 1) the reasonable requirements of the neighborhood establish a need for the issuance of the requested license, and 2) that the desires of the adult inhabitants dictate the issuance of the license. The Authority will also be looking to assure that a good sampling of the designated neighborhood was taken.

If you choose to use the petitioning method for proving neighborhood needs and desires, the "Resident Petition Form" and the "Business Petition Form" created by the Licensing Office must be used in this process. Each door to door petitioner must carry and show at the door a copy of the "Designated Neighborhood Map" and the "Existing Licenses List" provided by the Licensing Office. The prepared "Petition Results Summary" should also be included with your petition signature pages to summarize the results.

Each petitioner who has collected petition results door to door must include a signed "Affidavit of Circulator" that is notarized indicating that he/she personally witnessed each signature appearing on the petition and that, to the best of his/her knowledge, each signature is the signature of the person whose name it purports to be and that the address given opposite the person's name is the true residential or business address of the person signing the petition. Failure to affix a completed affidavit of circulator, including notarization, may cause petition invalidity concerns to be raised by the Authority.

There are professional petitioning firms that you may contract with; however, the decision to use any such firm is entirely yours. If you choose a professional petitioning firm, they must also use the prepared petition forms and results summary. This information is meant only as a guideline provided as a courtesy by the City of Boulder. Applicants are encouraged to consult a private attorney for answers to legal questions or concerns.
