

NORTH BOULDER PARK CONCEPT PLAN

C. MORE CLEARLY DEFINED ENTRY POINTS AND CONNECTIVITY THROUGHOUT THE PARK

- ⑥ Clearly Defined Entry Park Points
- Special paving and / or entry feature or signage

- ⑦ Patio Areas
- Patio areas include paving patterns similar to entry points

ENTRY SIGNAGE

- * Provide picnic tables, benches, and other site furnishings that are consistent throughout the entire park

D. BETTER MAINTENANCE OF FLOWER BEDS

- ⑧ Flower beds combined to facilitate better maintenance
- Turf or mulch groundcover

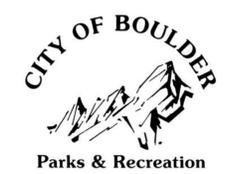

ADOPT - A - PLANTER
LOW MAINTENANCE FLOWER BED

E. ACCESSIBILITY IMPROVEMENTS

- * Make repairs to existing walks that do not meet current accessibility standards
- * Provide accessible site furnishings such as benches, picnic tables, trash and recycling receptacles
- * Improve accessibility to select playground equipment

F. IRRIGATION AND TURF IMPROVEMENTS

- * Replace outdated irrigation system - Update with water efficient sprinkler heads and monitoring system
- * Turf improvements including aeration, re-seeding, and soil amendments

Improvements at North Boulder Park are made possible through the Capital Improvement Bond that was approved by voters in November of 2011
