WORK DESCRIPTION

INTERIOR COMPONENT DEMOLITION

- * Provide two sets of demolition plans.
- * A separate demolition permit may be issued after a tenant finish permit has been applied for.

PARTIAL STRUCTURE DEMOLITION

- * Contractor is responsible for ensuring that all utilities and fire protection systems are properly disconnected prior to demolition.
- * Attach completed *Plumbing Fixture Count* form.
- * Provide one set of demolition plans.
- * All residential projects demolishing more than 50% of the exterior walls must demonstrate through a deconstruction plan that 100% of concrete and asphalt and at least 65% of all other materials be diverted from landfill for reuse & recycling.
- * If the structure is not landmarked or in a historic district, but is over 50 years old, Landmarks Board approval is required. Complete the section below and submit to the P&DS Services Center.

ENTIRE STRUCTURE DEMOLITION

- * Contractor is responsible for ensuring that all utilities and fire protection systems are properly disconnected prior to demolition.
- * Attach completed *Plumbing Fixture Count* form.
- * All residential projects shall demonstrate through a deconstruction plan that 100% of concrete and asphalt and at least 65% of all other materials be diverted from landfill for reuse & recycling.
- * If the structure is not landmarked or in a historic district, but is over 50 years old, Landmarks Board approval is required. Complete the section below and submit to the P&DS Services Center.

Include the following if the building is over 50 years old and is not landmarked or within an historic district.

Please provide the following:

- One set of color photographs of all elevations of the building(s).
- A survey of site plan that clearly indicates which building(s) are proposed for demolition.
- The application fee for an initial Landmarks Board review. If the application is referred to a full Landmarks Board hearing, there will be an additional fee. (Please refer to the Schedule of Fees for current fee information.)

For this review, "demolition" means a removal of 50 percent or more of the exterior walls, 50 percent or more of the roof, or removal of street-facing exterior walls. (See 9-16, B.R.C., 1981.)

Inclusionary Housing

Inclusionary Housing, the provision of affordable housing, may be waived if a building permit to replace the demolished unit is applied for within three years of demolition permit approval. Any waiver granted would not apply to additional residential units added onto the site. The home to be demolished must be habitable to be considered for a waiver. To request a waiver, please contact a housing planner by visiting www.boulderadffordablehomes.com and selecting "Inclusionary Housing."
