Hi Liz,

The proposed loop drive has been revised since concept plan to be two-way. Let me know if any other questions come up. Thanks,

Subject: Palo Parkway question

Hi Sloan,

The BHP letter says that they are proposing a one-way loop drive (p 68). Is that correct? I can't tell from the drawings if the street is one-way or two-way.

Thanks for courier-ing the plans to us, by the way.

Liz
