CARE OF THE COURSE

Golfers are expected to take extremely good care of the grounds and equipment. Golfers causing intentional damage to the course or equipment will have their playing privileges suspended. Leave the course in better condition than you found it.

Please repair ball marks and rake bunkers. Replace and/or fill all divots

RAINCHECKS

Rainchecks at Flatirons Golf Course are issued in PRORATED DOLLAR AMOUNTS.

You pay for the golf you play.

18 hole rates are prorated, so you only receive the difference in cost from the 9 to the 18.

Example: If 18 with cart is \$54, and you quit at 9, you get back the \$54 MINUS the applicable 9 hole with cart rate (\$33). \$21 Raincheck. *NOT* half of what you paid.

Golfers cannot receive a Raincheck once you've started the **5th hole** of the front 9, or the **14th hole** of the back 9.

If a player has started the round, refunds will not be issued, raincheck only.

LIGHTNING

Golfers are advised to cease play and take appropriate precautions when lightning is near. A guide to suggested precautions is posted in the golf shop. It is solely the decision of the golfer as to the safety of the weather situation.

All golfers stopping play due to threatening situations have the right to continue where they left off when they determine it is safe to continue. Players must advise the Golf Shop Staff regarding these decisions.

Flatirons staff MAY sound a warning consisting of 3 short blasts of an air horn if staff observes what they consider a threatening situation. This warning is not intended to replace the responsibility of the golfer in determining safety of the weather situation.

2019 POLICIES AND PROCEDURES

This Brochure is intended to give golfers an overview of the important policies of this facility

www.flatironsgolf.com
(303) 442-7851

It is the responsibility of the golfer to familiarize themselves with the generally accepted policies of a public golf facility along with the following policies, which may be unique to Flatirons Golf Course

PLAYERS

By City of Boulder policy, children ages 10 and under must be accompanied by an adult age 18 or over unless they are enrolled in a facility sponsored program. Players are expected to conduct themselves in a manner appropriate for a golf course. Rudeness, excessive displays of anger or frustration, disrespect for others and foul language are examples of conduct that will not be tolerated.

Players and spectators behaving inappropriately as judged by golf course staff may be removed from the grounds without warning. Law enforcement will be notified of all unlawful incidences and occurrences. All players and spectators must check in at the pro-shop and pay players fees before playing on the golf course.

ALL PLAYERS MUST HAVE THEIR OWN GOLF BAG AND CLUBS TO PLAY ON THE GOLF COURSE.

Demo clubs are available for rent.

Proper attire is required by all players. Shirts and spike less footwear must be worn at all times.

SPECTATORS AND PETS

A maximum of 1 spectator is allowed per foursome. Non playing spectators must be over the age of 10.

Spectators must be announced upon check in to adhere to these rules. Spectators are expected to follow the same policies as playing golf participants. NO PETS are allowed on the golf course at any time.

PACE OF PLAY

To enable all golfers access to an enjoyable round of golf, every player must adhere to the time limits of the golf course. Golfer unable to adhere to these time limits should discuss with the golf shop staff on best times to play for their needs. The golf shop staff is also happy to help analyze pace of play with any group of golfers.

Golfers must complete 9 holes in no more than 2 hrs and 10 min.
Golfers must complete 18 holes in no more than 4 hrs and 20 min

If a group falls behind schedule, a ranger/ starter will require the group to play up to their appropriate position on the golf course. Everyone is required to stay up with the group AHEAD of them. Slow groups should speed up their play, not let groups play through them as it creates slower play in the end. Only when play on the golf course is minimal does it help to let a group play through.

Golfers stopping for more than 5 minutes in the grill between hole 9 and 10 may lose their position on the golf course and may have to be restarted by the staff. Please contact the golf shop immediately if you are taking a significant delay at the turn.

SAFETY, ASSUMPTION OF RISK

All persons entering the golf course and practice areas are assuming the inherent risks of golf. These risks include, but are not limited to, serious bodily injury or death from stray balls, clubs, carts, inclement weather and irregular landscapes, and damage to all property from natural elements or actions of others.

ALCOHOL/TOBACCO/MARIJUANA

Alcoholic beverages are available from the golf course concessionaire only. A golfer possessing any alcoholic beverage not purchased through the golf course concessionaire is in violation of a city ordinance and state law. The beverages will be confiscated and the golfers may be asked to leave the premises.

TOBACCO AND MARIJUANA USE IS NOT ALLOWED ANYWHERE ON THE FACILITY GROUNDS AT ANY TIME.
