

A world where everyone has a decent place to live.

Opportunity

- Traunch 1 CDBG-DR funds are available to purchase land for affordable housing in the disaster affected areas
- Cannot complete the transaction without subdivision of the land by year end
- Creates the opportunity for at least 14 affordable homes for sale to families in the 40% - 60% AMI range
- Multi-family units
- We build to the highest standards and partner with programs such as Boulder's ClimateSmart, LEED for Homes, ENERGYSTAR, and Indoor airPlus

"Empowerment through stable housing is very important, critical to getting beyond survival and to a place of thriving."
