

MAPPED ACTIONS IN SCENARIO A

Scenario Ref #	Action
A1	OSMP is interested in collaborating with community and partner agencies to create regional connections that include North TSA trails as opportunities arise. Potential regional connections: <ul style="list-style-type: none"> • North TSA to Boulder County Parks and Open Space Lagerman/Imel/AHI Open Space Complex • North TSA to Boulder County Parks and Open Space Heil Valley Ranch • A Boulder to Lyons trail connection including the efforts of the Rocky Mountain Greenway Project • IBM Connector Trail (<i>construction pending</i>) • Fourmile Canyon Creek Trail underpass to Cottonwood Trail (<i>construction pending</i>) • Eagle Trail to the planned Boulder Reservoir Trail
A2	Create a double stacked loop trail system on the Joder property with directional travel for bikes and a seasonal closure for dogs. *** Retain the Habitat Conservation Area management designation for the Joder property.
A3	Close Stratton, Deluca, Hester, Campbell, Berman, Ryan, Andrea, Waldorf, Jacob, Steele, Bennett, Bison, Oasis, Dodd, and Abbott properties to public access. ***
A4	Construct a trailhead and passenger vehicle parking on the Schooley property for access to the Joder property. Work with partner agencies to create an underpass at US 36 to connect the new Schooley Trailhead to the Joder property (<i>this action combined with A5 and A6 provides a N-S connection to the Joder property east of US 36</i>). ***
A5	Create a multi-use, north-south trail east of US 36 that connects Foothills Trail to Joder Ranch through Boulder Valley Ranch using the proposed new diagonal connection from Cobalt Trail to an improved Lefthand Trail and providing connection to the Schooley property and the proposed underpass at US 36 (<i>this action combined with A4 and A6 provides a N-S connection to the Joder property east of US 36</i>). ***
A6	Take on management of the Beech Pavilion from Boulder County. Provide a trail connection to Neva Road along the pavilion access road and collaborate with agency and community partners to create a connection from Neva Road to the Schooley property (<i>this action combined with A4 and A5 provides a N-S connection to the Joder property east of US 36</i>). ***
A7	Designate southern section of railroad grade as an out and back trail to maintain access for activities currently accessing this area in the North Foothills Habitat Conservation Area (HCA) while also maintaining a large habitat block in the HCA and minimizing impacts to sensitive natural resources by having the Joder connector east of US 36. ***
A8	Extensive reroutes to trails in Boulder Valley Ranch area to improve visitor experience and conserve resources and add new trail connections including: <ul style="list-style-type: none"> • A connection from Foothills Trailhead to Degge Trail • A connection from Hidden Valley Trail to the Papini property • A nature study trail near the shale barrens north of Mesa Reservoir Designate one of the single-track trails parallel to the Eagle and Sage trails. ***
A9	Collaborate with Parks and Recreation to connect the proposed Boulder Reservoir Trail to the Eagle Trail. Provide a trail connection from the Boulder Reservoir Trail to Niwot Road. Work with partner agencies to determine the most feasible alignment with a preference for an alignment along 55 th Street.
A10	Improve Boulder Valley Ranch trailheads as follows: <ul style="list-style-type: none"> • Eagle Trailhead- bring up to standards, including horse trailer parking and restrooms. • Sage Trailhead- bring up to standards, including improving restroom facilities and add equestrian trailer parking at the Boulder Valley Ranch agricultural headquarters. *** • Foothills Trailhead- bring up to standards to meet backing requirements and add a new trailhead including horse trailer parking at the Degge Trail access point.
A11	Pave Longhorn Road (or cover with alternative permeable surface) to improve access to Sage Trailhead.
A12	Create a loop trail connection on Wonderland Hill including re-routes of existing paragliding access trails and undesignated trails to provide more sustainable connections to paragliding launch sites and to replace undesignated trails.
A13	Create new glider access trail connection that provides a small loop trail connection up Wonderland Hill. ***
