

MAPPED ACTIONS IN SCENARIO B

Scenario Ref #	Action
B1	<p>OSMP is interested in collaborating with community and partner agencies to create regional connections that include North TSA trails as opportunities arise.</p> <p>Potential regional connections:</p> <ul style="list-style-type: none"> • North TSA to Boulder County Parks and Open Space Lagerman/Imel/AHI Open Space Complex • North TSA to Boulder County Parks and Open Space Heil Valley Ranch • A Boulder to Lyons trail connection including the efforts of the Rocky Mountain Greenway Project • IBM Connector Trail (<i>construction pending</i>) • Fourmile Canyon Creek Trail underpass to Cottonwood Trail (<i>construction pending</i>) • ***Boulder's Area III properties to the North TSA
B2	Reroute sections of the Joder Interim Trail and do not allow bike access on Tuesdays and Sundays. ***
B3	Create two separated loop trails on Joder property with spatial separation for dogs (not allowed on western loop and leashed access on eastern loop) and temporal restrictions for bikes (not allowed Tuesdays and Sundays). ***
B4	Construct a trailhead for passenger vehicle parking on the Dagle property for access to the Joder property. ***
B5	Construct a multi-use north-south connector trail from Foothills Trail to the Joder property using the southern part of Railroad Grade and a new trail located west of Foothills Business Park. Do not allow bikes on Tuesdays and Sundays. Do not allow any off-trail permits west of proposed connector trail. Determining a trail alignment that balances natural resource conservation, visitor experience and sustainable trail construction interests will be challenging to achieve with this conceptual trail corridor through the North Foothills Habitat Conservation Area (HCA). ***
B6	Close Brewbaker, Stratton, Campbell, Hester, Deluca, Waldorf, Ryan, Andrea, and Jacob properties to public access. ***
B7	<p>Extensive reroutes to trails in Boulder Valley Ranch to improve visitor experience and conserve resources include:</p> <ul style="list-style-type: none"> • Create a trail connection from Foothills Trailhead to Degge Trail • Create a trail on the south side of the Papini property • Create a nature study trail near the shale barrens north of Mesa Reservoir
B8	Collaborate with Parks and Recreation to connect the proposed Boulder Reservoir Trail to the Eagle Trail. Provide a trail connection from the Boulder Reservoir Trail to Niwot Road. Work with partner agencies to determine the most feasible alignment with a preference for an alignment along 55 th Street.
B9	<p>Improve Boulder Valley Ranch trailheads as follows:</p> <ul style="list-style-type: none"> • Eagle Trailhead- bring up to standards, including horse trailer parking and restrooms. • Sage Trailhead- bring up to standards, including improving restroom facilities. • Foothills Trailhead- bring up to standards to meet backing requirements and add a new trailhead including horse trailer parking at the Degge Trail access point.
B10	Pave Longhorn Road (or cover with alternative permeable surface) to improve access to Sage Trailhead.
B11	Create a loop trail connection on Wonderland Hill including re-routes of existing paragliding access trails and undesignated trails to provide more sustainable connections to paragliding launch sites and to replace undesignated trails.

*** indicates actions specific to this scenario.
