## City of Boulder Registered Sex Offenders

The state sex offender registry includes only those persons who have been convicted of certain acts of unlawful sexual behavior since July 1, 1991, and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safe guard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.

The state sex offender registry includes only those persons who have been convicted of certain acts of unlawful sexual behavior since July 1, 1991, and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safe guard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.

## City of Boulder Registered Sex Offenders

The state sex offender registry includes only those persons who have been convicted of certain acts of unlawful sexual behavior since July 1, 1991, and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safe guard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.
