EXECUTIVE SUMMARY:

Staff is presenting materials associated with the City's Neighborhood Parking Permit (NPP) Program and Chautauqua Access Management Plan (CAMP) to City Council at their February 9, 2016 Study Session.

The purpose of this agenda item is to brief the Transportation Advisory Board (TAB) on these matters and obtain feedback from TAB on the study session questions to pass onto City Council at their study session.

The materials being provided to City Council, including the specific NPP program and CAMP issues being discussed and associated questions being asked of the City Council are included in the City Council Study Session draft memo provided in **Attachment A**.

NEXT STEPS:

Staff will be presenting these materials to the City Council at their February 9, 2016 Study Session. Staff will incorporate TAB's input into our presentation to City Council.
