

Impact Area 1: Preparing low-income and at-risk children and youth for success**A. Outcome:** Children are school-ready upon entering kindergarten**Indicators:**

- Percentage of families with access to quality, and/or affordable, and/or culturally competent child care options
- Percentage of parents acquiring knowledge and skills to prepare children for school
- Percentage of parental involvement and engagement in their child's early childhood education
- Percentage of young children who exhibit developmentally-appropriate language, learning, cognitive and literacy skills
- Percentage of young children with social-emotional competence
- Percentage of young children with access to preventive and comprehensive medical, dental, mental and behavioral health care

B. Outcome: Youth are healthy and successful in school and have the skills necessary for self-sufficiency and success as an adult**Indicators:**

- Percentage of students who have four or more absences during any one month or 10 days during a school year
- Percentage of youth engaging in risk behaviors (as defined by the Youth Risk Behavior Survey)
- Percentage of youth who graduate from high school
- Percentage of dropout youth who obtain their GED
- Percentage of youth who complete career technical training or post-secondary education
- Percentage of parental involvement and engagement in their child's education
- Percentage of youth with significant or chronic disabilities or special needs with a transition plan to adult-centered services and/or adult life

Impact Area 2: Improving economic well-being, independence and self-reliance for adults**A. Outcome:** Individuals and families have a path toward greater financial independence and security**Indicators:**

- Percentage of adults who complete basic adult literacy and/or GED
- Percentage of individuals completing career or job readiness training
- Percentage of lower-income individuals acquiring skills to maintain stable housing, employment, education and/or assets
- Percentage of individuals who establish a support network of resources and services in order to avoid crisis
- Percentage of individuals moving toward increased wages or stable income to meet basic needs and away from (or decreased) public or private assistance

B. Outcome: Individuals who have continuing and long-term needs achieve or maintain healthy, safe and independent lives to the maximum extent possible**Indicators:**

- Percentage of individuals with access to community-based services and resources
- Percentage of individuals with access to transportation
- Percentage of elderly and/or individuals with disabilities who are able to maintain independent living

Impact Area 3: Meeting basic needs for individuals and families**Outcome:** Individuals and families at-risk or in crisis access services to help meet immediate and/or basic needs**Indicators:**

- Percentage of individuals and/or families with access to affordable, nutritious food
- Percentage of individuals and/or families with access to transportation
- Percentage of individuals and/or families with access to preventive support and treatment for dental, mental and physical health care
- Percentage of individuals and/or families enrolling in public benefits
- Percentage of homeless individuals and/or families provided emergency shelter or housing
- Percentage of individuals and/or families provided short term assistance who are homeless or at risk of homelessness
- Percentage of homeless individuals and/or families moving into transitional, permanent supportive or permanent housing
- Percentage of clients that develop, implement and/or complete recovery/treatment/service plans
- Percentage of individuals and/or families with a medical home

Impact Area 4: Building a safer community**Outcome:** Individuals and families access services to prevent and reduce interpersonal violence in their lives; remain safe and crime-free in their neighborhoods; and have the tools and resources to prevent future harm.**Indicators:**

- Percentage of individuals and/or families with access to services that provide safety
- Percentage of individuals and/or families with access to prevention and education resources*
- Percentage of individuals and/or families who establish a support network to help remain free from abuse or recidivism
- Percentage of individuals who establish a support network and do not re-offend 12 months after completion of restorative justice or release from correctional institutions*
- Percentage of individuals engaged in education, job training activities, or employment during 12 months after release from a correctional institution*

* *The City of Boulder does not currently fund these indicators.*
