

Toward Our 25th Anniversary

2017 was a year for planning for our 25th Anniversary in 2019. We have discussed ideas about commemorative events, such as

- Welcoming a delegation from Yamagata
- Creating a new exchange program
- Participation in the Conference on World Affairs

We will continue our discussion about the Anniversary event with our members, City of Yamagata, and Yamagata-Boulder Friendship Association.

Newsletter from Yamagata

Yamagata-Boulder Friendship Association in Yamagata featured our visit to Yamagata in 2016 in their newsletter.

2018 WORK PLAN:

Conversation and Planning with City of Yamagata and Yamagata-Boulder Friendship Association for the 25th Anniversary Events in 2019.

Collaboration Events

- Boulder Dushanbe Teahouse marks its 20th Anniversary in May. In its celebration they're planning events featuring Boulder Sister Cities. Yamagata tea event is scheduled on Monday, June 18. We will support the event in collaboration with Japan-America Society in Colorado.
- Yamagata North Rotary Club, which is a sister rotary club to Boulder Valley Rotary Club celebrates their 50th anniversary this year. They invite BVRC members to their commemorative event. We will support the communication for their meaningful exchanges.

Respectfully submitted,
