HOUSING BOULDER WORKING GROUPS

GROUND RULES AND PROTOCOLS DRAFT

1. Purpose of Working Groups

Review and evaluate potential policies and tools specific to each goal. In addition, working groups will help generate a larger community dialogue and help advise the city staff on how to improve the overall community engagement process.

2. Participation

- A. Appointed members;
- B. Open to public, but conversation is limited to members except for 10 minutes at the end of each meeting that will be open for public comment.

3. Ground Rules for Each Meeting

- A. Keep discussion focused on the purpose and agenda of the meeting.
- B. Make your comments concise - 2nd what someone else says but don't say the same thing;
- C. Have respectful discussion - share your points, listen to others;
- D. Speak your mind - be clear about your position; ask questions, and provide an explanation if you are in opposition to a proposal;
- E. Try your best not to use acronyms or shorthand; and
- F. Please turn off phones while we are meeting.

4. Participant Responsibilities

- A. Read materials prior to meetings; come prepared;
- B. Engage in meaningful and productive dialogue;
- C. Learn from the past but work toward the future;
- D. Bring criticisms or issues with the group process to the group first;
- E. Assume best intent from all participants; and
- F. Abide by the ground rules and allow the facilitator to enforce them.

5. Documentation

- A. Meeting notes will be prepared on a chart pack and a picture posted on the Housing Boulder website within two working days of the meeting;
- B. Staff will draft a final meeting summary identifying key issues and the most promising tools to address the specific goal. All perspectives and how issue will move forward will be documented; and
- C. Working group members will review and comment before the summary is finalized.

G. Keep discussion balanced - we're here to hear from everyone

H. Try to be prompt to begin each meeting

* Hearing - accommodate please

* U-shape

Where did objective come from?

* - like "Provide" don't change

* - test on senior population

* - "Enable Aging in Place"

↳ wrong

* "Affordable senior housing"

Public Comment

Aging in Place ^{stay in community}
as long as you can

seconds the emphasis
on "middle income"

- likes "senior"; don't change

- surprised by age discussion

- Scheduling is problematic

- Silo comment is valuable;

- reach out to seniors

-
