Gwendolyn,

The property address is 3000 N 63rd Street and is referred to as Valmont Butte. I would like to read the files, particularly if there were any subsurface investigations of the tailings pile or if a previous Phase 1 was conducted on the property for either City/County of Boulder.

Any time this week to review the files would be great. Thank you for your time.

Robert Hill

sure?
3000 N 63rd
Boulder, CO

Mr. Hill,

I am the contact person for the Phase 1 Environmental Site Assessments in Boulder County. If you provide me with the street address including Zip code, I will send you a report of any environmental incidences, high radiation, dumps, etc that we have records for in this office within a one mile radius of the provided address.

Feel free to email or call if you have any questions.

Wendy Blanchard

I would like to make an appointment to conduct a file review of environmental records

regarding a Phase I Environmental Site Assessment of a property in Boulder County.
With whom do I talk to make the appointment?

Thank you,

Robert W. Hill, Jr.
