Passes are good for one year of unlimited use locally, regionally and to Denver International Airport. Passes are not transferable and require user's photo on the pass. The entire yearly fee will be charged before the pass can be issued. This notice is specifically targeting the **X** neighborhood, which includes all residents within the borders of **X**. There are NECO passes available all over Boulder, so please inquire. The city of Boulder subsidizes to help get the program going and to help keep the program in your neighborhood. Please let us know if you are interested and would like to take advantage of this program.

To sign up or get more information, call or email your volunteer neighborhood coordinator **X** at **X** and leave your phone number with your message. For questions regarding the NECO Pass, contact Go Boulder/ml Robles at necopass@gmail.com and visit www.goboulder.net.

For more information visit www.goboulder.net or 303-441-3266. You can also visit the RTD Web site (<http://www.rtd-denver.com/>) for more information on this and other RTD fares and programs.

(use this flyer if you plan to have your program pay per rider rather than per house – where you have to get EVERY house to pay)
