**Building Inspection Daily Route**  
**for 02/10/2017**

*Updated 2/10/2017 8:30:58AM*

The route schedule is a guide only.

- Inspector's schedules are subject to change due to cancellations and other circumstances.
- One or more inspector may arrive at different times for different inspections.
- The exact time of the inspection is unavailable, however the general time of day (morning or afternoon) can be determined by the order number of the inspection.
- Generally inspections numbered 1 through 7 are in the morning, and inspections 8 through 15 are in the afternoon.
- This list is refreshed at 8:00, 8:15 and 8:30 each morning.

The person responsible for the project is required to provide the inspector with access to the permitted work, the approved plans and the permit packet. If special knowledge is required to gain access to the work area, please provide such information on the form provided in the permit packet and place in a noticeable location, such as on the front door.
